Re: 200 River Landing v. Watkins Service, Inc.
Appellate Case No. 2023-001832

Dear Mrs. Harrison:

In response to the Court's letter of June 6, 2025, the undersigned counsel for Respondents is not available for oral arguments in the above matter on the dates identified for the September and October terms. As Chairman of the South Carolina Board of Law Examiners, I am responsible to oversee the grading of the July 2025 bar exams during this time. While an Order of Protection has not yet been entered by the Supreme Court as of the date of this correspondence, based on past practice I anticipate my protection will extend from early August through mid to late October 2025. As such, I would respectfully request that oral arguments be considered during the next available term after the dates listed in your letter.

Very truly yours,

THURMOND KIRCHNER & TIMBES, P.A.
