Re: *Murphy v. All Seasons Healthcare Inc.*
Appellate Case No.: 2024-001802

Dear Ms. Kitchings:

Appellant named above respectfully requests a 7-day extension of time to file her Reply Brief in the above appeal, which would make Appellant's brief due today. This is the second extension requested for this brief. Additional time is sought based on a calendaring error. Appellant's brief was due June 2, 2025. With additional time, Appellant's brief will be due today and will be filed contemporaneously. Appellant has consulted with Respondent regarding this extension and has received no objection to same.

My firm's check in the amount of \$50.00 will arrive by First Class Mail to cover the required filing fee. Thank you for your consideration of this request. By copy of the transmitting email, I am serving a copy of this Motion on Respondent.

Yours very truly,
s/Jamie Rae Rutkoski
