Dear Mrs. Singleton,

I hope this message finds you well. I am writing to respectfully submit an Emergency Motion to Impose Temporary Stay in the above-referenced case. A copy of the motion is attached to this email for immediate review and filing.

As noted in the motion, I am facing a scheduled eviction set-out for Thursday, June 12, 2025, at 10:30 A.M. My Petition for Review and Emergency Motion to Stay Enforcement are currently pending before the South Carolina Supreme Court under Case No. 2025-001100.

In light of the impending execution of the writ and the potential for irreparable harm and homelessness for myself and my minor children, I am requesting that the Court of Appeals consider issuing an emergency temporary stay to preserve the status quo until the Supreme Court is able to issue a ruling.

Thank you very much for your time and urgent consideration.

Sincerely,

Terry Clark
