SC Court of Appeals

**SECOND SUPPLEMENT TO SECOND MOTION FOR EXTENSION OF TIME TO FILE  
RECORD ON APPEAL**

Appellants, by and through undersigned counsel, respectfully supplement their Second Motion for Extension of Time to File the Record on Appeal in the above-captioned matter.

Earlier today, the Court granted Appellants' motion for an extension through **June 2, 2025**, for the filing of the Record on Appeal. However, undersigned counsel has been on medical leave since **March 20, 2025**, and remains out of work pursuant to a continuing directive from her treating physician. Counsel's medical leave has now been extended through **August 4, 2025**.

While the Court has indicated that no further extensions would be granted, this is an extraordinary and ongoing medical circumstance. Undersigned counsel remains medically prohibited from engaging in any work-related duties. The Record on Appeal therefore could not be completed or filed by today's deadline.

Appellants respectfully urge the Court to grant an additional and final extension through **August 4, 2025**, and to continue to hold all related deadlines in abeyance pending the Court's ruling on this supplemental motion. Should there be any further changes to counsel's work status, the Court will be notified as soon as practicably possible.

Respectfully submitted,
