I am replying all to this message and including the 10th circuit court. I want to make sure that these dirty tactics are not used further by saying I did not serve someone. I believe everyone that needs to know, and many more, have been served.

Thank you all. I do believe that we will address the merits of this case, and that the court of appeals will not tolerate this delinquent behavior from the Attorney General office.

All the best,  
Jason
