Since the Court of appeal won't acknowledge the new Evidence Submitted of the Inadmissible evidence, Brady Violations & Conflict of Interest

I would like to put Everything on Record for Both the Supreme Court & District Court

Key points to remember:

- Stare decisis:

  (c)While courts generally follow the doctrine of "stare decisis" (meaning to stand by things decided), which encourages adherence to precedent, this principle can be overcome in cases of serious judicial misconduct, where upholding the previous decision could undermine public confidence in the legal system.

- Burden of proof:

  To overturn a decision based on judicial misconduct, the party seeking to do so must present compelling evidence demonstrating the misconduct and how it affected the outcome of the case.

- Factors considered:

  (d)Courts will evaluate the severity of the alleged misconduct, whether it was intentional or negligent, and the potential impact on the fairness of the original proceedings when deciding whether to overturn a decision.

Examples of judicial misconduct that might lead to overturning a decision:

- Bias or prejudice: A judge exhibiting clear bias towards one party in the case.

-
- **(a) Ex parte communication:** A judge engaging in private discussions with one party without the knowledge of the other.
- **(b) Failure to disclose conflicts of interest:** Not disclosing a personal connection to a party in the case.
- **(c)Improper influence:** A judge being influenced by outside factors that could affect their decision.
- Is a Brady violation illegal?
- This duty is breached regardless of whether that information is withheld intentionally or unintentionally. If a Brady rule violation is discovered during trial, the court can either declare a mistrial or prohibit the prosecution from using unfavorable evidence which could be discredited by the withheld information.

A Brady violation, while typically associated with criminal cases, can also have implications for civil cases where government agencies or public entities are involved. Essentially, it's about the government's duty to disclose exculpatory evidence, meaning evidence that could be favorable to the opposing party, even if it weakens their case.

In addition, if the judge believes the withholding of evidence was particularly egregious, the prosecution may face charges of prosecutorial misconduct. If you suffered damages due to their actions, you might even be able to file suit for malicious prosecution

Legal Requirements of a Brady Violation

To establish a Brady violation in court, **three key requirements must be met**. These requirements form the foundation for any Brady claim and help courts determine whether a defendant's due process rights have been violated. Let's examine each requirement in detail to understand what prosecutors must disclose and what defendants must prove.

1. Favorable Evidence to the Defendant

The prosecution must have withheld favorable evidence that is either

- **Exculpatory Evidence –** directly supports the innocence of the defendant

- Impeaching – challenges the credibility of the case or the key witness of the prosecution[5].

For instance, if a witness statement or DNA evidence[6] could have exonerated a defendant from wrongdoing, but the prosecution failed to disclose it, that would be Brady material

2. The Prosecution Withheld the Evidence

The prosecution must have omitted the evidence disclosure to the defense. This occurs either:

- Intentionally: The prosecution deliberately withholds evidence.
- Unintentionally: Evidence is missed or not presented because of carelessness.

Regardless of purpose, the concealment of evidence that may influence the outcome of the trial is a Brady right.

3. The Suppressed Evidence Caused Prejudice

The defendant has to prove that the outcome of the trial would have been different if the evidence had been disclosed.

§(A) Civil actions may only be commenced within the periods prescribed in this title after the cause of action has accrued, except when, in special cases, a different limitation is prescribed by statute. **36.105 Definition of "disability."**

(a)

(1) *Disability* means, with respect to an individual:

(i) A physical or mental impairment that substantially limits one or more of the major life activities of such individual; (ii) A record of such an impairment; or (iii) Being regarded as having such an impairment as described in paragraph (f) of this section.

(2) *Rules of construction.*

(i) The definition of "disability" shall be construed broadly in favor of expansive coverage, to the maximum extent permitted by the terms of the ADA. (ii) An individual may establish coverage under any one or more of the three prongs of the definition of disability in paragraph (a)(1) of this section, the "actual disability" prong in paragraph (a)(1)(i) of this section, the "record of" prong in paragraph (a)(1)(ii) of this section, or the "regarded as" prong in paragraph (a)(1)(iii) of this section. (iii) Where an individual is not challenging a public accommodation's failure to provide reasonable modifications under § 36.302, it is generally unnecessary to proceed under the "actual disability" or "record of" prongs, which require a showing of an impairment that substantially limits a major life activity or a record of such an impairment. In these cases, the evaluation of coverage can be made solely

under the "regarded as" prong of the definition of "disability," which does not require a showing of an impairment that substantially limits a major life activity or a record of such an impairment. An individual may choose, however, to proceed under the "actual disability" or "record of" prong regardless of whether the individual is challenging a public accommodation's failure to provide reasonable modifications.

(b)

(1) *Physical or mental impairment* means:

(i) Any physiological disorder or condition, cosmetic disfigurement, or anatomical loss affecting one or more body systems, such as: neurological, musculoskeletal, special sense organs, respiratory (including speech organs), cardiovascular, reproductive, digestive, genitourinary, immune, circulatory, hemic, lymphatic, skin, and endocrine; or (ii) Any mental or psychological disorder such as intellectual disability, organic brain syndrome, emotional or mental illness, and specific learning disability.

The "fruit of the poisonous tree" doctrine is a legal principle that extends the exclusionary rule, meaning that evidence obtained through illegal or unconstitutional means is inadmissible in court. Not only is the illegally obtained evidence itself excluded, but also any evidence derived from it (the "fruit"). This doctrine aims to deter police misconduct and uphold constitutional rights.

It is Unfortunate that The State Of South Carolina Won't Accept That Black lives matter
Since I am but 1 of many cases of Mentally Disabled Black Men Falsely Arrested & never Compensated for the Former Hanahan police I am Attempting to Get Black Lives Matter involved

Due to the City of Hanahan Gross Negligence they allowed the Attorneys to Use Conflict of Interests & Judicial Misconducts to Cover up the Brady Violations Rule 37.

I request under Procedural Fairness & Procedural Law that the City of Hanahan please Schedule a time & Date to discuss a settlement offer

I request the city uses their Mandatory authority Mandated to avoid wasting the Hierarchy of Authority court time I do not wish to Appeal the Court of appeal based on the Final brief
That includes information that (Black Lives Matter) Would assume the Police department is responsible when they clearly did their Job internally

Please Let the court record Show that all Parties are Aware of my Mental health disabilities,

Subsequently only the Respondent Hanahan Police Department Chief has displayed Honor by

Disclosing the Evidence that Hood law Firm has been Hiding from all the Courts that the Officer lost her Badge because of Her false arrest made on me.

Question presented will the Court of appeal Ignore the Brady Violations? In 3 Separate Courts The Federal Court, Berkeley County & The Court of appeal was not aware that the Officer lost her Badge & the Statement Hood law Firm was using was illegal & Inadmissible in Court (Conflict of interest & judicial Misconducts) (not to mention) this Entire Case is Built off the Former Police officer false Statement DEEMED Inadmissible in Court.

What Hood Law Firm Don't Know is what I know & the Chief of Hanahan Police Knows the Child has already Corroborated my statement of Abuse by Her mother
Not Only Did Hood Law firm use inadmissible Evidence, it was also illegal Evidence subsequently the Officer statement was Part of the reason for her losing her Badge.

Based on the Forgoing Partnership With the respondent's Chief I am only seeking Compensatory damages from the City of Hanahan for Their City Gross Negligence. I do not wish to seek any sanctions unless they Continue to allow their Attorneys to Use unethical tactics to delay the inevitable

Subsequently Hood law Firm don't represent Mayor rainwater best interest & they don't reflect on the city based on meeting With Someone representing Your City Counsel who was really pleasant & show me not to Judge Mayor rainwater I pray your city accept that falsely arrested Black Mentally disabled lives matter, Hood Law firm Knows That South Carolina Attorneys Only like to Make Money off Blacks if we are breaking the Law.

Hood Law Firm has no Sympathy & believe because I am representing myself Pro se they will use my Mistakes to get away with Not paying me, just like So many other Victims that are Black & Mentally Disabled it is unfair that the mayor pays Hood law Firm using the City of Hanahan Funding.

This case has destroyed My life & I do not wish to Fight any more I do Not Wish to File at the district Court Or allow this case to go to the Supreme Court

I only wish that the City acknowledge their mistakes also give me a Fair offer enough for my Pain, suffering Court fees also to relocate & invest in My musical Endeavors with the Police departments

(List of Everything Hood Law Firm Has Done to delay Payment & all Courts allowed)
#1 Using inadmissible evidence to violate the Right to trial
#2 Multiple Brady Violations
#3 Conflict Of interest
#4 Bad misrepresentation Of Their Clients
#5 legal Malpractice & OPENLY discrimination towards Blacks with mental disability

Question Presented Is Hood Law Firm & the City of Hanahan above the Law?
Do you feel Falsely arrested Black Lives Matter if they have mental Disability's?
Do you feel that the Higher Courts should Get Involved?

Positive incentives: I will allocate funds through the Tri County Positive Police Outreach Program to Begin Providing Musical opportunities to redirect the Youth Future Criminal Career Paths By using Entertainment to Push the Message & bring

Failure to Settle Will result in a trial that will require the Mayor & The Chief to Testify I will be Speaking positively on the Chief Behalf

(Hanahan police Settlement Debt. eight million, seven hundred eighty-nine)

Wherefore, based on the foregoing, new evidence submitted by
15-3-40 Exceptions as to persons under disability

The appellant has consolidated indisputable evidence that is impossible to challenge in any court of law

The amended final brief is confusing because of all of the conflict of interest & misrepresentation of Hood law firm.

Because the respondent Chief has Disclosed that the internal problem was resolved I would like the court to acknowledge this is a matter of the financial issue

Validated Key points
#1 The Right to fair trial for the amount of 8,708,003
. **Section 15-3-40:** Exceptions as to persons under disability.
(B). Rules 38 - Jury Trial of Right, S.C. R. Civ. P. 38

The Court of appeal has shown that the state of South Carolina do not feel Black lives Matter based on mistakes Made by Hood Law firm
If Hood Law Firm would not have used inadmissible Evidence what case would the respondents have?

#2 (Conflict of interest & Judicial misconduct)
Berkeley County allowed Hood law firm to get away with Conflict
Interest.

If the Statue of limitation is suspended until I am seen by a doctor what is the argument about?

#3 do The City of Hanahan *&*
(Other Law Enforcement Officials believe that all Black lives matter)
If Hood Law Firm Knows the officer made a False arrest, why do they not understand Mentally disabled Black lives.

I am trying to avoid working with (Black lives Matter) activists in order to protect the integrity of my Allies in Law Enforcement & the Court thanks to Charleston County Judge warring I have More respect for Judges.

Will the Court of appeal ignore them hiding Evidence that Supports a Settlement?
#4 Compensation
I am willing to allow the City of Hanahan Finance department a Chance to offer me a settlement for the 8786 hours held in Berkeley County jail
For a total of 366 days.

#5 emotional distress issue
This case was supposed to go to trial for the original amount of $1000,00 per hour plus punitive damages see proof of Emotional damages Charleston County mental health

Hood Law Firm believes Black Mentally Disabled Men Should Not receive Compensation Because no Attorney is representing them if that's not Racist, I don't Know what is.

#6 (Validated Gross Negligence & Discrimination by Hood Law firm)
If the Appellant was White & the Victim was White, I suspect Hood Law firm would have No problem Paying any Settlement.
I used the state vs Susan Smith to show how important kid's lives are of every color
Do the Court of appeal feel the City of Hanahan Mayor Rain Water Should be Complicit with not disclosing valuable Evidence to every Court just to avoid a impartial non bias Jury Hood Law firm is Full of Cowards who hide behind litigation when they are afraid of a trial that will exposé their Corruption

#7 (Protecting the Public Perception of the Law)
(Due to the Chief of Hanahan police Rick Gebhardt corporation)
By Disclosing the information about the Former Hanahan Police officer Ellen lanphere losing her badge (due to the false statement & Victim testimony)

Exhibit:(a) The "fruit of the poisonous tree" doctrine, a legal principle, dictates that evidence obtained indirectly from illegal searches or seizures is inadmissible in court, just as the original tainted evidence (the "poisonous tree") is. This rule is an extension of the exclusionary rule, which prohibits the use of illegally obtained evidence. The core idea is that if the initial evidence is tainted, any evidence derived from it is also tainted.

(Based on the foregoing there is no Evidence that Challenges any settlement)

How do the Court of appeal & Mayor rain water Expect the Citizens to obey & respect the law when the *Other Law Enforcement Officials don't enforce their own laws?*

- *(a) SC currently ranks 6th in the nation for the number of women killed by men and are consistently in the top ten in the nation. (Violence Policy Institute When Men Murder Women report 2018)*
- *In South Carolina, 39 intimate partners were murdered as a result of domestic violence in 2020. (South Carolina Attorney General's "Silent Witness" 2020.)*
- *The cost of domestic violence in the state of South Carolina in 2020 was nearly $358.4 million dollars according to a report conducted by Dr. Joseph C. von Nessen and sponsored by the Jamie Kimble Foundation for Courage*
- *Each reported incident of domestic violence costs the state of South Carolina an average of $4,350 (The Economic Impact of Domestic Violence in South Carolina, 2020- Von Nessen)*
- *42% of SC females and 29% males will experience domestic violence during their lifetime (The Economic Impact of Domestic Violence in South Carolina, 2020- Von Nessen)*
- *The annual number of domestic violence victims in South Carolina is estimated to be 82,379. (The Economic Impact of Domestic Violence in South Carolina, 2020- Von Nessen) Eight in ten (80%) child fatalities in 2020 were caused by one or more parents; 29% were perpetrated by the mother acting alone. Nearly three-fourths (74%) of... casualties*

Exhibit (b) Since Hood Law Firm Feels

- **(All Black lives Don't Matter) (see) State of South Carolina v. Susan Vaughan Smith**
- (This is the 1996 case of a woman putting two of her children in a car and pushing it or letting it drive into a lake; it includes the closing arguments, jury instructions, verdict, and judgment at the penalty phase, after the jury had already found her guilty of the crime but had to decide whether to impose the death penalty or life in prison)
- (g)NORTH CHARLESTON, S.C. (WCSC) - Live 5 Investigates reviewed hundreds of pages of public records from the last three years from the South Carolina Insurance Reserve Fund.
- Those records show in 2021 the IRF paid out $1.51 million on behalf of the North Charleston Police Department.
- That is the largest amount out of any local law enforcement agency covered by SCIRF in the same year.
- Documents show IRF processed 18 claims against the department, with 12 resulting in payouts.

Exhibit (c) (Statutory Limitations Suspended)
How does this section apply?

- The time of the disability is not part of the time limit for starting the action.
- The disability cannot extend the time limit by more than five years, except for infancy.

- The action must be brought within one year after the disability ends.
- For example, if property damage occurs when the owner is under 18 or insane, they have one year to file a lawsuit after they turn 18 or are (declared sane.)

I am truly appreciative for the Court of appeal following the Rules & showing Accommodation's to someone who is mentally disabled

Dear (Mayor Christie Rainwater)
I am formally requesting a meeting with your City's Finance department & also I am documenting everything I submit through the Court of appeal.
furthermore, in order for me to build a Class action Law suit for other Victim's that are Mentally disabled & Black I must first give your city the chance to respond to the Gross Negligence the City has Done by Not Compensating Victims of the Former Hanahan Police officer who may have been falsely arrested.

Subsequently In order to Protect the Chief of your City police department reputation, because he Works for you, I am giving Your City a Chance to respond on Your own behalf.

Unfortunately, your attorneys Hood Law firm are a Group of Whites who will Not accept that any falsely arrested Witness to a Child being abused should be Compensated for their Emotional distress.

Valid Question for Mayor Rainwater: If You was falsely arrested for calling for help & trying to save a child from her Mothers Neglect & Abuse do you believe you should be compensated for losing Your Home, Your Career & 8,785 hours of your time.

This case has lasted 1964 days because of Hood Law firms Conflict of Interest & not Disclosing to the Federal Court that the Officer has lost Her Badge.

Your Attorneys offered me $1000,00 during mediation subsequently I was inside a Mental health Hospital because of the Documented severe Mental health I would like to Settle this case immediate.

I will sign an agreement to Forfeit any Civil cases for the City's (Gross Negligence) & (Disregard any Complaints) against Judge Young & Judge Mccoy based on them not knowing the officer lost her Badge, I will accept it as another Unethical Move by Hood Law Firm & understand Judges make mistakes.

by Settling with me You are Proving that You do Believe that all black lives Matter, so no Future Complaints will be Made on all parties I only wish For the City to deal with Hood Law Firms Gross Negligence, Legal malpractice & discrimination.

Hood law firm represents the type of people who are still mad about Blacks receiving Civil rights & it seems unfair to their kind that a falsely arrested mentally disabled black Man Should receive Compensation for being held (8,785 hours inside a Cell)

(Emotional Distress) Let the Court Record Show I had a Panic Attack & Mental Break Down during the Time of my arrest by the Former Hanahan Police officer

Respondent (Rick Gebhardt) (Chief of Hanahan; Showed the Plaintiff/Appellate Compassion for the Emotional Distress, by offering me some Relief that the Officer don't have her badge;
He is an Honorable Man I personally feel who do not Stand for Corruption: Thankfully God has placed a real Man of God as the Chief.
The City of Hanahan Finance department is in charge of The South Carolina Reserves Fund if the City Offer me a Large enough Settlement, I am willing to Guarantee in their agreement to Allocate Funds through There Schools & various Police department listed This is Consolidated information that Supports the Argument
(The Basic Theory of the Amended Brief)
Since Hanahan Police department has Handled the officer's Gross negligence internally Compensation should not be a Discussion

Based on Both Charleston County & North Charleston County police officials, as well as Judge warring Positive impact I would like to show my appreciation for my allies support I am willing to accept any payment to begin Working with the different police department outreach programs.

Furthermore, I understand that Judges make mistakes just like police officers do So, I do not wish to discredit Judge McCoy or Judge Young name.

I am Trying to receive treatment at a Mental health Hospital subsequently because of this case & Hood Law Firms Legal Malpractice, Gross Negligence & hate towards Mentally Disabled Black witnesses I can't afford treatment so let the Record Show I have Been Homeless since this Case & the Court fees are Money, I should be using to get a place to Stay & I am Suffering I Require Housing & relocation away from everything

(3) **Hanahan police Settlement Debt**. eight million, seven hundred eighty-nine

(a) Appellant /Plaintiff based this amount off the number of hours held for the ransom of ($75,000 inside of Berkeley County Jail)
(b) Conflict of interest created BY (Hood Law Firm) forcing me to represent myself in this case in spite of Severe Emotional Trauma
(c) Based on a (Former Hanahan Police) False arrest & subsequently
(d) (Berkeley County) provided ineffective incompetent counsel & Both Judges failed to Recuse themselves & ignored the ADA

(e) The Creditor agrees as part of this Agreement they shall be accepting the last payment for the satisfaction of the Present Debt, hereinafter known as the "Settlement Debt". This Settlement Debt shall be in the amount of $_three million five hundred thousand or $3,500,000.

(f) ADA Title II: State and Local Government Activities

Title II covers all activities of State and local governments regardless of the government entity's size or receipt of Federal funding
To ignore the ADA thinking its okey because I am representing myself Black &Mentally Disabled only supports discrimination.

To Whom it may concern @ the city of Hanahan Finance department
The Consolidated Evidence Proves Gross Negligence & discrimination Based on the Brady Violations that the Chief Disclosed he will be the Star Witness at Trial & I will be Requesting that Mayor Rain water be asked to testify to allowing the Brady violations, Conflict of interest as well as using inadmissible evidence

I do not seek to file any Complaints or Future Civil Suits against the City I just want the city to Offer me a settlement Based on the Debt amount

I will Personally Hand deliver the evidence to give you a chance to schedule another Time to Meet With who ever is in Charge of The Finance Department to prove You are Not Discriminating against me
Hood law Firm has Hypocritically complained about the only reason for not paying a Black mentally disabled witness to a 9-year-old child being abused mentally Physically & Suspected Sexually
1# a mentally disabled black witness who lacks the legal compacity improper filing of the record on appeal
Valid Information that Challenges Judge Mc Coy & Judge Young Order To dismiss & Violate the Right to trial

- Judicial Misconduct Exbibit (a)Recusal Requirements
- An official with a disqualifying conflict of interest may not make, participate in making, or use his or her position to influence a governmental decision. When appearing before his or her own agency or an agency subject to the authority or budgetary control of his or her agency, an official is making, participating in making, or using his or her position to influence a decision any time the official takes any action to influence the decision including directing a decision, voting, providing information or a recommendation, or contacting or appearing before any other agency official. When appearing before any other agency, the official must not act or purport to act in his or her official capacity or on behalf of his or her agency.

Positive Reinforcement: Business Proposal for (the City of Hanahan)
Subsequently Consolidated evidence Supports Legal malpractice, discrimination, & gross negligence as well as unethical behavior by the attorneys who represents Berkeley County, Hanahan police department & the City of Hanahan

Mr. Evan M Sobocinski, Esquire

Dear: Catherine S Harrison, **Nancy Grigsby &** Benjamin Crump attorney at Law) I am attempting to resolve this Matter with the City of Hanahan Finance Department, this civil matter began with a city of Hanahan former police officer Misconduct.

(Benjamin Crump attorney at Law)
Black Lives Matter
Please Review the Amended Brief I will Contact You if I don't receive any Relief from the Court or The City of Hanahan a City Known as Klanahan because of all the Hatred towards Black Lives I need Help They are taking advantage of my lack of legal capacity I have been placed in Multiple Mental hospitals and Homeless Because of Calling the Police to Help a Child from being Abused & in an Unfit Environment created by her Abusive Mother

A Black Child Died Because the Former police made the gross negligence, to Discriminate and not investigate a mentally Disabled Black witness, I had a Mental break Down while

being arrested & spent 366 days in jail, Berkeley County & Hanahan has Other Victims & I need help reaching them I can't do it by myself South Carolina attorneys Stick together against all Black Victims of the City of Hanahan Police Misconduct they believe our freedom is Worthless & we Should Not be compensated.it is unfair that the Courts Ignore Everything that the Attorneys Hood Law Firm has Done to Prevent this Case From being Settled if I was White Then Maybe I could get Relieve But in the State Of South Carolina if You represent Yourself Pro se Your Civil Rights don't count Your freedom is Nothing

I pray The Mayor of Hanahan has Sympathy & don't Force Me to Pay for this to go to trial I am in Severe Emotional Pain because of this case

Respectfully, Humbly Submitted Muhammad N Wilson Pro se
