Danny L. Ivester, Sr., Appellant,

v.

EYZC RE, LLC, Respondent.

May 12, 2025

Re: Respectively to the Honorable Court Clerks & Justices. And pray **HONOR** be your guide under: Kingdom / will of **YHWH God & Son**.

Appellant categorically objects to all **of** respondents Final Brief, as it is **fraudulently** base by statutory public policy & is NOT relevant law. Applies: Ethridge v. Rhodos, DC Ohio 268 F Supp 83 (1967), Whirl v. Kern CA 5 Texas 407 F 2d 781 (1968). "...an..officer who acts in violation of the Constitution ceases to represent the government." Brookfield Co. v Stuart, (1964) 234 F. Supp 94, 99 (U.S.D.C., Wash.D.C.). The liability for nonfeasance, misfeasance, and for malfeasance in office is in his 'individual', not his official capacity..." 70 Am Jur 2nd Sec. 50, VII Civil Liability. Firemens Ins. Co. of Newark, N.J. v. Washburn County, 2 Wisc 2d 214 (1957).

Appellant prays this courts integrity of honor in grant **of** appeal. All as true, correct & complete filings in this court for: **Record on appeal** as the entirety **notes** the lower courts **Lack of Jurisdiction** & judgment error. Appellant question admiralty jurisdiction in the court of Common pleas, it is within. Appellant's Constructive notice to invoke USC Title 28 1331 (1) Savings to Suitor under the common law, was accepted (see court transcript). Admiralty common law **requires contract of form**. Appellant demands that the ORIGINAL **sign** contract (the only valid common law evidence within admiralty jurisdiction) be put into this Honorable Court of Appeals by Respondents as: true, correct & complete. **If NOT:** Respondent FORFEITS CLAIM on its face. May the Court dismiss & sanction them for abuse of judicial process, fraud on courts @ nature & cause, barratry, conspiracy & collusion in fraud.

Appellant reiterates FACT: This case is **only one** of many across this nation of house stealing. Is this a world judiciary ponsi scheme? Will it

destroy our great GOD given nation from within? This is perpetrated by lawyers (officers of the courts) and can only be remedied by truth: Constitutional Law of the Land, executed by True Honorable Judges.
Opinion: First step make: YHWH GOD the guide & rip from every court the scales lady with blinders on & replace with the 10 commandments. Annul (offi-of-court) status of gen-lawyers. **Appellant:** (Just saying.) Appellant reiterates: This case is strictly Political in nature and arises from: State of SC & Anderson County **retaliation**_against_Appellant for **exercising** U.S. Constitutional - Preamble & Bill of Rights. This appeal arises relevant from the same within Admiralty Cross Claim, following. **Origin: [Certiorari: In The South Carolina Supreme Court] Title 42 USC Section 1983: Unconstitutional** deprivation of Un/Inalienable Rights of 9th, 1st, 4th, 5th Takings & due process, 7th, & 8th, Am's, with (14th). Now Crossclaim @ Amend of Re: File, **due** of Pains & Penalties. No: Cross Claim case: 2019 001742, Appellate Case No: 2023-000045

Also reintegrate FACT: This appeal arises from a Pseudo Summons from Powdersville Summary Court, Magistrate Tommy Tucker, recused. Further in collusion with Williamston Summary Court, Magistrate Mary Cole perpetrated fictional statutory aver Appellant was a tenant of in this State SC, an absolutely FALSE aver of a man, the Appellant his bundle of rights & allodial absolute fee simple private property of 38 + years. Are these inferior courts (star chambers) acting? Is our USA Corporate Captured by Greed, Oligarchy named Capitalist? Would this make these men of Oligarchy (simple dumb down minded) moreso none the less of pure **communist**? I believe nature is shown by these individuals, do you? Appellant: Loves & **first serves**: The Sovereign Kingdom of YHWH GOD and Son Yeshua, Jesus the Christ. May all related share Their graces & blessings, Isa 54:17. Again: Please accept all filings as Record on Appeal, Thank you, END.
