- I suspect she was also bribed. (This is extremely unjust.)

Detective Wong

Add to Narrative

Detective Wong made contact with Tony to ask him a few more questions about the case. During the first interview with Tony, Tony informed detective Wong that he no longer had video surveillance of this incident due to the time frame and a kitchen fire that destroyed the surveillance video system. Detective Wong followed up and asked Tony about the fire, and when the fire occurred. According to Tony, the kitchen fire happened August of 2021. Tony was asked again about workers comp insurance. Tony informed that he did call the insurance company initially. He then reported that King lied to the insurance company about the incident. According to Tony, Kong told him and the insurance company that he was hit by a refrigerator door and hurt his side. It was later discovered that the injury happened during a fight that Kong had with another employee. When Tony found out that Kong lied, the insurance claim was closed. Tony was also asked if he ever lied to the insurance company or taught King to lie to the insurance company. Tony denied ever lying to the insurance company, and denied teaching Kong how to lie to the insurance company. Kong informed that he was the owner of the company, and he had no reason to lie. He filed an insurance claim initially because Kong told him that he was hurt at work by a refrigerator door. Tony later closed the case when he found out that Kong lied to him and the injury actually came from fighting with another employee. This case will remain closed.

### 5. Evidence shows:

1. Police report: Tony deceived the police, denied and lied.

Why didn't Eddie Wong investigate the truth? He shielded the criminal Tony (Lin Yi Tong) and harmed the victim's life. (Please show the record of questioning Tony. Why didn't he find out the truth in 22 months???)

2. Why did Eddie Wong prevent me from applying for a restraining order? He didn't give the Magistrates Court Tony's address. Why??? (It has been more than a year since 06/07/24)

### 5. I present the following facts:

- Tony lied to the police and misled the investigation;
- The police prevented me from applying for a restraining order in Magistrate Court;
- I have reason to believe police obstructed my attempts to hire a lawyer and interpreter;
- On October 13, 2022, Detective Eddie Wong ordered another officer to intimidate me at the police station. Since then, I have been followed, harassed, and live in daily fear. This caused my mental collapse and a heart condition, requiring surgery.

6. I reasonably suspect that Tony bribed Detective Wong. This situation is terrifying, especially since Tony is from North Carolina and has committed crimes in South Carolina, with local police protecting him. Am I still a U.S. citizen with rights?

Case SO202306827

Why not investigate the truth?

Covering up crimes, harming others' lives, and profiting at the expense of others is not good. 为什么不去调查真相? 掩盖罪行, 损害他人生命, 损人利己, 都是不好的!

⑤ Your Honor, Tony has committed several serious offenses and is clearly afraid that the jury will present evidence unfavorable to him. His actions show a blatant lack of respect for the court, the jury, and Your Honor. Violating the court summons is completely unacceptable and undermines the dignity of the court. This violation should have serious consequences, and I respectfully ask the court to review the judgment records and take appropriate action. Thank you, Your Honor.

2) Compensation for Losses:  $\leftarrow \rightarrow$  失去33个月

- On **March 29, 2021**, Tony helped this employee attack me.
- On **June 15, 2021**, Tony resigned from my employment.
- On **April 17, 2022**, Tony harassed me at Tsuki Japanese restaurant. The owner of Tsuki, Tony's cousin, instructed employees to continue harassing me.
- On **October 28, 2022**, the owner of Tsuki fired me.
- In **May 2023**, I noticed I was being followed.
- On **July 5, 2023**, I filed a report with the York County Police Department.
- From **October 28, 2022, to today, February 17, 2025**, it has been 27 months, and I have lost a total of \$113,400 due to a monthly salary of \$4,200.  $\leftarrow \rightarrow$  心绞痛

Other financial losses should be evaluated and ruled upon by the court. These traumatic experiences have caused me significant mental distress, as I live in constant fear. I am forced to go about my daily activities secretly, turning off my phone to avoid detection. This constant anxiety has caused my heart to race uncontrollably and has led to frequent chest pain. Despite consulting several doctors, I have been unable to find relief. I have resorted to unhealthy coping mechanisms, such as consuming alcohol, coffee, pork, instant noodles, and other foods, to calm my heartbeat. As a result, I developed high blood pressure (over 190), high cholesterol, and ultimately cardiovascular disease. On **December 26, 2024**, I underwent cardiovascular surgery, which remains a terrifying experience. My chest continues to hurt regularly after the procedure. I feel as though I have only half a life left, and I find myself questioning my position as a U.S. citizen. This ongoing distress has taken a serious toll on my mental health. I plead with the court to make a fair judgment that will help me escape the shadow of Tony's actions and finally deliver justice to the victim. Thank you.  $\leftarrow \rightarrow$  心绞痛

6,

1. Dear Honorable Court,

Greetings. My name is Kongjian Lin, and I am filing a lawsuit against Yitong Lin, also known as Tony Lin. I would like to present the following details regarding my case: I worked for Tony for approximately four years. However, due to my refusal to teach him magic tricks, he became angered and began continuously causing trouble for me. This left me with no choice but to take this matter to court.

On April 3, 2024, I filed a lawsuit against Tony and submitted all the necessary documents.

On April 27, 2024, I served a formal court summons to Tony.

On June 17, 2024, after 50 days with no response from Tony, I requested the court to schedule a hearing to address his failure to comply with the summons. My claims are as follows:

- 1) Tony failed to respond to the court summons issued within the 30-day period.
- 2) Compensation for the damage I have suffered. I respectfully request the court to arrange a hearing on this matter. Thank you.

① 复杂 ← 攻击

2. Tony has engaged in a series of personal attacks against me, including secretly photographing me, threatening me, harassing me, and even using offensive language in Chinese to insult my mother. These actions have left me with no choice but to seek legal action.

② 不放过家人

On July 5, 2023, I reported these incidents to the police. Furthermore, Tony has shown no mercy even to his closest relatives, having sued two of his cousins—one is his uncle's son, the other is his aunt's son—taking all their shares without giving them a single penny.\* This situation is widely known in the Chinese community and has instilled fear and distress in many people. I respectfully ask the court to uphold justice and fairness, allowing the victim to receive the justice they deserve. Thank you, Your Honor.

□

③ 3. Criminal Evidence Against Tony: 刑事证据

- 1) Tony deceived the insurance company by assisting employees in faking work-related injuries (P-11).
- 2) Tony taught employees how to deceive the insurance company (P-15).
- 3) Tony deceived the police, falsely claiming no involvement with the insurance company (P 16-19).
- 4) Tony denied deceiving the insurance company (P-11).
- 5) Tony denied instructing employees on how to deceive the insurance company (P-15).
- 6) Surveillance video evidence (P-13).
- 7) Tony has lied (P-9).
- 8) Tony's secretly recorded videos serve as criminal evidence. Tony claimed these were fights; why deceive the insurance company? (P 5-8).

#

④ 9) Tony lied to the police, and the police report contains multiple false statements from him, where he denied the truth and misled the investigation. Why was the truth not investigated further?

法

④ 10) Tony violated the court summons and disrespected the dignity of the court, undermining its authority. These crimes should be judged by the court, and Tony should be ruled against, losing everything. I seek judgment in favor of the victim, and I request the judgment transcript. Over eight months have passed, yet the court has not arranged a hearing regarding Tony's violation of summons and compensation for damages. Why has a hearing been arranged only for the restraining order, rather than the violation of the summons? The victim deserves justice.

⑤

My Claims:

- 1) Violation of the Summons: 违反传票

4.

**Nature of Motion:** 动义

The Plaintiff hereby submits this Motion for Summary Judgment, requesting the Court to rule in their favor based on fairness, justice, and a just resolution for all parties involved.

1、**法官判決不公:**

My evidence and statements were not properly reviewed, and the judge made an unfair decision that ignored the real harm I have suffered. (Unfair)

2、**賠償損失:**

Compensation for loss:

Tony hurt me and caused me to miss work for 33 months, plus 15 days per month at \$4,200, totaling **\$141,300**

For more than a year, I have reasonable suspicion that Tony bribed the police and the judiciary. The police are monitoring my phone, which is horrible, including various injuries (police report: not investigating the truth, intimidating me at the police station, preventing me from applying for a restraining order, etc.)

At the same time, the defendant has been harassing and threatening me for a long time, forcing me to have no way out, causing my mental breakdown, serious harm to my life, and my life cannot be guaranteed. I now request additional compensation of \$3,000,000. The total compensation for loss is **\$3,141,300**.

Mr. Lin,

I'm sorry I'm late responding. I've been in Court this week.

Essentially, the restraining order needs to be filed in Magistrate Court. Restraining Orders are valid for one year if they are issued by the Magistrate Court. The Magistrate Court will have to hear testimony about how Tony treated you and why you want the restraining order. If the Magistrate Court issues the restraining order, it will make it a criminal penalty for Tony to contact or harass you. It would also be valid for one year and you would have to renew it for one year.

The restraining order in civil court is only valid as long as the case is going. For the lawsuit against Tony, you need to file a motion to enter a default judgment against him. This will allow the Judge to enter in an official finding that you have won the case and allow us to schedule a hearing where the Judge will determine your damages and what Tony could potentially have to pay you for your damages. I don't mind taking the case, but I would bill it by the hour. My hourly rate is \$250.00 per hour. To get started on the case, I would need a retainer amount of \$3,500.00. I wouldn't be doing my job though if I didn't tell you that I think it is unlikely that you will be able to receive attorney fees or any money from Tony. Since he has not answered the lawsuit, it seems like he is not going to be willing to pay you money for your damages even if the Court tells him he has to. I think you should keep this in mind before deciding to hire

or any money from Tony. Since he has not answered the lawsuit, it seems like he is not going to be willing to pay you money for your damages even if the Court tells him he has to. I think you should keep this in mind before deciding to hire me or any other lawyer. This is a case where I think you will spend more money in getting a judgment and restraining order against Tony than you will receive in payments from Tony for what he did wrong. I am happy to take the case, but I want to make sure that you understand we could potentially win the civil case and Tony still won't pay you. Let me know how you'd like to proceed. I believe a Magistrate Court restraining order would be the more effective option for your peace of mind. I think you have a chance to win the civil case, but the problem is going to be recovering the money you've spent and recovering the money for the damages you've suffered.

I, Kong Jain Lin, plaintiff in case number 2024CP4601346, respectfully request a jury trial.

Reasons:

1. The original judgment only awarded me \$500, which is unjust and does not reflect the severe economic and emotional harm I suffered.
2. The defendant Tony has repeatedly violated the law, harassed, threatened, and followed me, causing me emotional breakdown and serious heart disease, requiring surgery and endangering my life.
3. I believe certain judicial and law enforcement personnel acted improperly. I trust a jury of ordinary citizens will render a fair judgment.

All right. We talked to detective  
Wong. He said he is not in the office  
today. He will be back in the office  
on Monday. He will provide that  
address on Monday. He was we were  
questioning like what do you want to  
do? You're trying to follow  
restraining order, but you said there  
has not been any contact for for  
several years, correct?

好的。我們訪問了黃警探。他說他今天  
不在辦公室。他將於週一回到辦公室。  
他將於週一提供該地址。我們問他你想  
做什麼？你試圖遵守限制令，但你說已  
經好幾年沒有任何聯繫了，對嗎？

04/28/25 Inspector Huang, you  
have been in breach of contract for  
more than 10 months. Why didn't  
you give Tony's home address to the  
Fort Mill Police Office?

2025年4月28日 黃警官，你已经违约  
十个月了。为什么你没有把托尼的家  
庭住址提供给米尔堡警察局？

The inspector said (ask your lawyer to call me)

Reasonable suspicion prevented me from hiring a lawyer.

I found about 20 lawyers, but they didn't want to answer the call when they saw the police report. Some of them didn't answer the call after I called the police station, and some lawyers didn't even dare to leave their names and phone numbers. Where can I find a lawyer?

探長說（叫你律師打電話給我）

合理懷疑阻止我聘請律師，

我找了20個左右律師，一看到警察報告不想接，有的打電話到警察局后不接，有的律師姓名電話號碼都不敢留下，到那裡找律師？

律師也會撒謊，而且沒有正義，公平，公正。正義在那裡。

律師：這些資料21句是你說的嗎？

為什麼說只做氣車車險，不做傷害案件？

我沒有結伴的案件，為什麼上網拿我的資料。

I found this lawyer. He was a very good person. He read my information and said he would give me 5 minutes to get the information from the court. He liked it very much. He talked to me for about an hour. He said he needed a translator and we would make an appointment to talk. The lawyer said that there would be no charge for talking to me. I would call him in two days. He had changed and he said that he It's just about car accidents, not civil cases. He also advised not to do it. Why did it become like this? The next Monday I went to the law firm to find him again. He did not dare to come out to see me. The lady at the front desk said that the lawyer did not handle this case. I only deal with car accidents, is there such a thing? Why don't you take my case? (Can lawyers also lie?) Is there anyone stopping me from hiring a lawyer? ) Please help me find out the truth. Thank you 🙏.

我找了這個律師. 這個人很好. 他看了我的資料. 他說給我5分鐘. 向法院拿了資料. 他很喜欢做. 給我談了1小時左右. 他說須要一個翻譯. 約好時間再談. 律師說于我交談無須任何費用. 過兩天電話給他聯繫. 他變了他說, 他只是做氣車事故. 沒有做民事案件. 他還勸說不要做. 為什麼變成這樣? 第二星期一我又去律師事務所找他. 他不敢出來見我. 前台小姐傳說律師不做這案件. 只做車事故, 有這回事情嗎? 為什麼不接我的案件? (難道律師也會說謊嗎?) 是否有人阻止我聘請律師?) 請法院幫我查明真相. 謝謝你們! 🙏
