Dear Clerks of the Supreme Court and Court of Appeals:

I understand from a phone call I made to the Supreme Court last week that I am not expected to send the appendix to you with my petition for writ of certiorari in the above-referenced case as you already have access to these materials. However, in an abundance of caution and to make sure I am satisfying Rule 242, I wanted to send the appendix anyway. Please find at the Dropbox link below an online folder from which you can download the documents listed below which comprise all of the contents of the appendix.

Note that I have included an alternative version of the Record on Appeal (the “minus covers”) version. In it, I have removed cover pages and repeated tables of contents so that the PDF page numbers match the page numbers of the record, making it easier to search.
