Dear Ms. Howard:

After reviewing Appellants' returns to the motion to strike, the Receiver does not believe a reply is necessary. The Receiver reincorporates his motion and would request the Court strike the notices of supplemental authority as they are not in compliance with the rules. If the Court denies the motion to strike, the Receiver reiterates his request for leave of the Court to submit a fulsome response to the purported notices.

Please let us know if the Court needs any further information or response. Thank you for your consideration of these matters.

Sincerely,

Jonathan M. Robinson
