Court of Appeals **RECEIVED** Appellate Case No: 202-001229

JUN 16 2025

SC Court of Appeals

I'm writing to show the Court that I have been neglected and my case has been sabotaged by both attorneys that have unprofessionally handled my case by not assisting me with any help and receiving my money just to abandon me with the full services of the agreement and not doing any preparation of experts and refusing to provide me with any expert witness testimony or examination. Ms. Elizabeth Ann Best hasn't provided me with any of the services of an expert or has she done anything I actually asked her since she has been retained. I am being abandoned and my case has been sabotaged, neglected, and I've been lied to by Ms. Elizabeth from the beginning of her being appointed on my case. She hasn't done anything to my case to help me. She clearly took my money and been paid fully and I haven't spoken to her but once and then she submitted my writ to the Supreme Court of South Carolina where I wasn't satisfied from the beginning and questioned her and requested for everything that came with her taking my case and filing my writ certiorari.

Dear Mr. Myers,

We received your phone message today. As we have previously written to you and also explained to your mother, we cannot file anything more for your case. We are not getting an expert witness. You are welcome to pursue this avenue on your own, but it's not something we will do. Your cert petition case is pending with the Court. Once we get any information on that case, we'll let you know. We hope you understand.

Sincerely,

LaDonna Falvey
