Re: Matthews v. State, 2011-CP-18-00875  
Appeal From Darchester County

Dear Mr. Shearouse:

The undersigned James Matthews, 258992, was lastly made an inquiry from your office in 2012; he believes it was in the spring or summer of 2012 if he desired to respond to the Johnson petition which was submitted by his court appointed attorney and he did submit some material; he wonders whether your office is in receipt of his pro se response? He desire to be informed of the status of the pending appeal also.

Respectfully requested,

*James Matthews*
