Re: Click Properties, LLC v. Thomas SC Properties, LLC (2)
Appellate Case No. 2024-000870

Dear Counsel:

According to our records the initial respondent's brief of appellants/respondents and designations of matter are overdue. As of today's date we have not received the initial respondent's brief of appellants/respondents and designation of matter, or a motion for an extension of time in which to serve and file the initial respondent's brief of appellants/respondents and designation of matter. Within ten (10) days of the date of this letter you must serve and file the initial respondent's brief of appellants/respondents designation of matter along with a motion to allow late filing, or this appeal will continue without consideration of the initial respondent's brief of appellants/respondents and designation of matter.

Very truly yours,
