Re: App. Case No. 25-000486 and enclosed copy of 2.24.25 correspondence acknowledging receipt of our timely cert petition extension request.

Dear Ms. Howard:

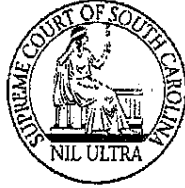

Happy Fourth of July almost! Thank you for your help in the past and for your kind assistance with this request. We are writing to request this Honorable Court's correspondence dated February 24, 2025, be included in App. Case No. 25-000486. Please find enclosed a copy of the February 24, 2025, correspondence responding to our timely request for cert petition extension in this Honorable Court's App. Case No. 25-000486 with a copy docketed on February 24, 2025, in the pertinent Court of Appeals App. Case No. 24-1450. It appears that the enclosed copy of the February 24, 2025, correspondence is inadvertently omitted from App. Case No. 25-000486 along with our February 23, 2025, cert petition extension request. It is respectfully requested that the February 23 and 24, 2025, correspondence be entered on the C-Track Public Case view for App. Case No. 25-000486 with a notation regarding the original date of February 24, 2025, in support of the timely cert petition extension request and the Petition for a Writ of Certiorari timely served and filed before dismissal.

Again, thank you and with kind regards, I remain

Very truly yours,

Thank you!

Re: Cynthia Holmes, M.D. v. Haynsworth Sinkler Boyd, P.A., et al.

Dear Ms. Holmes:

This will acknowledge receipt of your extension request to file a petition for writ of certiorari with reference to appellate case No. 2022-001146. The remittitur in that case was mailed by the court of appeals on August 10, 2023, ending appellate jurisdiction in that case.

It is noted that the court of appeals denied the rehearing in appellate case No. 2024-001450. To the extent that you intend to file an extension to file a petition for a writ of certiorari in that case, you will need to file an amended request for an extension referencing the correct appellate case number and specifically listing the opposing counsel you served.

Finally, any request for any extension in cases seeking a petition for a writ of certiorari to review a decision of the Court of Appeals must comply with the policy set forth in this Court's Order dated July 16, 2014. This order is available at <https://www.sccourts.org/courtOrders/displayOrder.cfm?orderNo=2014-07-16-01>.

Sincerely,

Patricia A. Howard
