Isaiah Brown 10-9-13

I Isaiah Marcus Brown write this summary pretaining my Anders Brief. I will like to press the same issue as my lawyer. Because even tho I refuse to testify that wasn't a reason of Denying my motion for reconsideration. It seem to me that the State wasn't looking at my situation at the moment. All they was worry about me not testifying in Bethea trial. If I would of testified I guess the State would of accept my reconsideration Doesn't make since. I ask the court nicely to look at the situation not me refuseing to testifying.
