RE: Moats Construction, Inc. and Russell Moats v. Anderson County
Appellate Case No.: 2024-001911

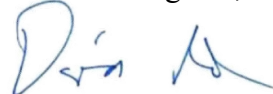

Dear Ms. Kitchings:

This letter provides a status update regarding the trial transcript requested regarding the above matter.

On June 20, 2025, we inquired with Lisa Scott, the Court Reporter responsible for transcribing the trial transcript, regarding its status. Ms. Scott informed us that she had commenced work on the transcript. In a follow-up email later that day, I asked whether she had requested an extension beyond the June 21, 2025 due date. Ms. Scott indicated that she had requested an extension, but that it should be her final request. I have enclosed a copy of the emails.

Should I need to take any further action or if you have any questions or require further information, please do not hesitate to reach out.

With kind regards,

David L. Paavola

Yes, but this should be the last request. I am finally caught up on all the other trial transcripts and expedited orders, etc.

Lisa, have you requested an extension beyond 6/21? I have to inform the Court of Appeals about the status of the transcript on Monday.

Thanks,

Good afternoon Ms. Lisa. I hope you are doing well!

When do you think you will have this transcript completed? I know that we had paid for it in full, upfront some time ago.

I am also aware of the extensions filed.

At this point the delay is significantly affecting a timely appeal.

I really need to know when it will be completed.

Kindest Regards,
