COMES NOW the Defendants, Tremaine Golson a/k/a Tremaine D. Golson and Brittney L. Greene a/k/a Brittney L. Golson, pro se or by undersigned counsel, and respectfully moves this Honorable Court, pursuant to Rule 60(a) of the South Carolina Rules of Civil Procedure, to correct a clerical error in the final order entered on May 08, 2025. In support of this motion, the Movant shows the Court the following:

1. The Court's Final Order incorrectly identifies the parties by reversing the designations of Plaintiff and Defendant.
2. This constitutes a clerical error affecting the clarity and legal integrity of the order. The incorrect designation may create confusion in enforcement, appeal, and the calculation of related obligations such as bond.
3. This motion is timely and made in good faith for the sole purpose of ensuring that the record accurately reflects the Court's intent and the procedural posture of the case.
4. Correcting this error will not prejudice any party, and no substantive changes to the judgment are being requested.

WHEREFORE, the Movant respectfully requests that this Court:

- Enter an amended order correcting the clerical designation of the parties; and
- Toll any applicable deadlines pending the resolution of this motion.
