Hi good morning,

This is regarding appellate case 2025-001033. I haven't received a response from the court reporter regarding the transcript I received from the Magistrate Court yet. Is this what we need from the Appeals Court court reporter? Or do I need to wait till I receive further communication regarding the cost of the transcript from the Appeals Court? Sorry just wanted to make sure that I follow the right procedure and timeline and keep you posted regarding the transcript.

Thank you so much,  
Chunyan Gu

Hi good morning,

I received a letter (attached photo), transcript of judgement from the Magistrate Court. Just wanted to make sure that I still need to wait for communication from a transcriptionist from the Appeals Court correct?

Thank you very much,

Chunyan Gu
