Dear Court:

I am the Appellant in the above-referenced matter. I write to respectfully request issuance of the scheduling letter that was referenced during multiple prior communications with your office.

On May 27, 2025, one group of Respondents (the “Journal Respondents”) filed their Initial Brief. I contacted the Court as early as May 15, 2025, regarding the preparation of a reply brief in response to Respondents McDuff et al. At that time, I was advised that the deadline to file my reply would be communicated only after all Respondents had submitted their briefs.

I followed up again on June 10, June 11, and June 18, and was informed that a scheduling letter setting forth the applicable deadlines had been prepared and was awaiting signature. However, I have not yet received that correspondence.

Because there are multiple Respondent groups in this appeal, I intend to file a separate reply brief for each group, as contemplated under SCACR Rule 208(a)(6) when briefing is not consolidated. In order to ensure compliance with the applicable rules and deadlines, I respectfully request that the Court issue the scheduling letter confirming the reply briefing schedule for each Respondent group.

Thank you for your time and attention to this matter. A copy of this letter is being served on all counsel of record.

Respectfully,

DOROTHY PIERCE, Pro se Appellant.
