Can I add this is evidence? I cannot understand how it can be considered that my appeal was criminal, when I've been paying motion fees the entire time. And I had to pay the appeal fee. Sure, McIntosh made some comment that it was a Criminal contempt charge, but he did not run the court that way.

I was making these payments after I lost my job due to the illegal incarceration. Their plan has always been to make our family go bankrupt, that's how they wanna beat us.

I am hopeful I get the extension, and then I will include all evidence. Thank you.
