

The South Carolina Court of Appeals

Kellie Bingham and Kayla Bingham, Appellants-
Respondents,

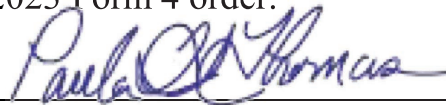

v.

Medical University of South Carolina, Respondent-
Appellant.

Appellate Case No. 2023-000952

ORDER

On April 30, 2025, Respondent-Appellant moved to strike portions of the briefs filed by Appellants-Respondents that cite and rely upon a February 7, 2023 Form 4 order that was amended and corrected by an order issued by the circuit court on October 29, 2024. On May 7, 2025, Appellants-Respondents filed a return, opposing the motion to strike and withdrawing their argument that "it would have been error for the [c]ircuit [c]ourt to later reduce the verdict if the Form 4 [o]rder was an unappealed judgment in the amount of \$750,000 per Plaintiff." After careful consideration, we grant Respondent-Appellant's motion to strike. Within twenty days of the date of this order, Appellants-Respondents shall serve and file an amended final brief and final reply brief removing reference to and argument based upon the circuit court's February 7, 2023 Form 4 order.
