

Hello my name is Odis Rhoden when I went to court me and my lawyer talked and she told me I would not do but 13 months and she even had officer summer's from my county Jail add it up and they Both told me only 13 months to do but now they are saying I will do more time that is not what I agreed to Because I was on house arrest for one year and a half for this charge also covist so why didn't my time count on this and I feel like they just wanted to get me to plea and I feel that I should be given my time for house arrest also because I had to stay locked up and could not do the things I wanted to do and I have lost my father why I have been locked up and I have a very sick mother that need's me home and there was never any cops that done a investigation on this case and the women waited 11 days after any of this was supposed to happen before a warrant was taken out on me so I am asking for help in this matter and I also have a very large hernia that I need to have fixed thank for your time in this matter I was told I would only have 13 months so I was told wrong and it's not right to me.

Thank you
so much
Odis Rhoden

This is the time line suppose to happen on
Dec 22, 2019 but no warrant was taken out
until Jan 3, 2020 any one could have hurt her
now they have me here on 85% violent charge but
I feel I should not have 85% to do maybe 65%
but I need help in this matter Please because
I feel that when the judge put me on house
arrest that it should count on this charge but
now I am having to start all over again for
this can you Please help me in this matter
my mother really need's me home with her
to help her out and I think my lawyer
should have told them about the house arrest
stuff and got that time for me also
on this charge I thank you so much god

Bless you for your help in this matter
because this is not what I was told the time does not
match up. they told me one thing and now I feel they lied

Thank
you
Odis
Rhoden to me on the matter.
Help!

P.S. And it is wrong to
tell me this and lie to me.
my mother need's me.
