Mr. Elbadawy,
First, I still have not received any response to our offer to participate in mediation of this matter. Please respond to that communication.

Second, you did not provide us with a copy of any appeal filed with the Court of Appeals (this is more evident in the Court of Appeals communication below and attached). Please furnish a copy of the documents you attempted to file. To the extent you attempted to appeal the circuit court's denial of your request for injunction/restraining order, such an appeal is not proper at this time and we will take action to dismiss the same unless you withdraw the appeal within five (5) business days of this communication.

We look forward to your prompt response to this communication. Your response need not be a recitation of all your grievances and allegations, but a simple response to the 2 points set forth above.

As a follow-up to the e-mail below. We have received your attempted notice of appeal. It is not proper and we will move to dismiss the same unless sooner withdrawn. Thank you.
