S.C. SUPREME COURT

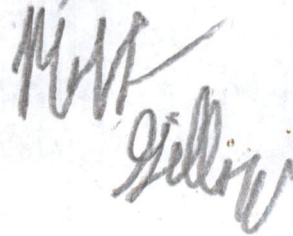

I Matthew Gillespie have Received the Response (Correspondence). I would like to state that I Matthew Q. Gillespie represent myself as well as my Counsel Stephen Timothy Snow ESQ. He has not communicated with me since I have been incarcerated. I have tried many many times No Response. I imagine that you have a copy of my Correspondence I sent 6-3-25? If so can you please send me a copy for my records? I would greatly appreciate it. I don't have access to the Law Library here at Kirkland so it makes it a little difficult. This motion/letter is giving permission for the clerk to take action if possible. A Pro Se Filing that I feel like I was maliciously prosecuted and would like the chain of custody checked on the "Firearm" in the case (2023A3910200108) the Pickens County Solicitors office charged me with a "Firearm" that they didn't even check to see if it was a functional weapon/firearm. Without them even having knowledge if this "Gun" or "Firearm" if it was even real or functional. It could be a BB Gun for all I know because it wasn't mine. that being said that's just ONE OF the

things. Another thing IS I was Being targeted ②
From the Beginning. Me and my Arresting officer
WIKKI: holliday have had problems In our past Long
Before she Became an officer. But the point I'm
trying to make is that Since 2016 She is the
only arresting officer I have! She had It out
For me! I Also think She is Being investigated Due to
her leaving her Fire arm in a public Bathroom. I
Don't Feel like her testimony/word is creditable or
has any merit and validity to it, She Didn't Read
me my miranda Rights as you Can Hear/See on Body Cam.
I never gave her Permission to Search the Vehicle!
As you Can Hear/See on Body Cam. She was handling the
I Quote "Firearm" with out gloves. All these are I
state Illegal search and Seizure! there was also a
Passenger he didn't get charged with the "Gun"
And I never Said It was mine Because It isn't!
She never once try to interrogate him or accuse him
of It being his! There Fore I felt Targeted/Singled out!
She had no reason of Even pulling me over as you
Can See From Dash Cam Footage She waited For me ⁱⁿ Parking
and Basically hunted me like an animal! She Flipped ^{col}
the Blue lights on Facing the Side of Vehicle Take
note Vehicle Tag legal had insurance all Vehicle lights
turn Signals ect. All worked and were up to the DMV's
Standards, I was Doing 10-15 mph wasn't Speeding!
The First time I ever Drive the Vehicle! Plus I had
Been gone 2 1/2 years Just got home 2 weeks
Prior to incident So She Didn't know what I looked
like! She Was Arresting officer on that charge that I
was gone For 2 1/2 years Take note! And IF you look

at the times on my motion / Discovery which I can't get my Counsel to send me. So I would like to file motion / Discovery on Case (202343910200108). If you look at the times between Dispatch and actually getting pulled over there is a significant gap! Because Robbie Cook was with me at the time clearing my shop out on Cell Catechi trail Central, S.C. 29630 left there went and met her and told her were I was! I am 100 percent sure of this! There was foul play from the start of this bad day that not only ripped me away from being a father/grandfather and productive citizen in my community because I own 2 businesses I give people with records such as myself a job. I've even remodeled the gas station across from the courthouse in Pickens County! This is not rehabilitating and not our justice system! Now I have to be away from my children who doesn't deserve that! Especially in a time of need when they were moving in with me a single dad! Now there on the street basically like I will be when I get out of SCDC! Because I lost all my contracts I had for painting my builders my house my shop tools etc. I'm basically asking for the courts to help me in seeing the real truth about this ugly tornado of drama and jealousy! Because I owe it to my children to get back home and be the father I am even if I got to relocate to do that! Because time is so precious! Me in here is wasting mine and there's and my community's at that! Another thing when she pulled me over Detective Torres pulled up shortly after I stopped, when does a detective backup a routine stop? I just want justice for me! I should be able to send a statement/affidavit from the

Person whos "Gun/Firearm" it was that LEFT (4)
It in Vehicle after I Dropped her off at 102 River St
Cantel, S.C. 29630 Across From Ell Catech's Trail (my Shop)!
Her name is Phyliss the only Contact phone number
I have for her is 864-417-3463 which is Jennifer
Seagers I give and consent permission for the
Courts to speak with her about this case or getting
the affidavit/Statement stating she left it in the
Van on accident while she was helping me load
the van from my shop, I have plead guilty to every
charge I have in my past because I was! I Didn't
plead guilty to this charge because I'm not! I wasn't
out running the streets I was picking up the remains
from the last mistake I made! I was doing no
malice or had any intent on it! I was stepping
over which I'll have to do again! I want to thank
the courts for listening to what I have to say and
I greatly appreciate it alot! It means alot! I hope
y'all have a Blessed Day

Sincerely

P.S.

Can you please send me a copy of this correspondence
with my last correspondence on 6-3-25 back to
me for my records please?
