MOTION

Appellants move for an extension of thirty (30) days in which to serve and file the Appellant’s Record of Appeal. Due to counsel’s present caseload, including other pending matters in the Court of Appeals with similar deadlines in addition to other litigation obligations. Furthermore, the complexity and volume of the record in this case coupled with the need for additional research and briefing require more time to properly prepare the Record on Appeal.

Counsel certifies that an extension of time is necessary to present the issues in this case properly and is not intended to cause undue delay.

Respectfully submitted,

Robert C. Childs, III, #1218
