It was regular mail - so, no. Maybe check again? It should have been delivered 23rd or so at the latest. Regardless there is a fresh printed copy at the front desk with your name on it.

Mr Williams

You should have received it. I anticipated a delay with US mail not operating on the 19th. So you're stating you didn't receive it. Okay - I'll print out another copy and hand deliver it to your office this afternoon.

Mr. Maness,

Your prior emails indicated you were sending a hard copy of your filing via US Mail (per your email of 6/17). However, to date, my office has not received a written copy of your filing.

Please let me know the status of that.

Thanks
