

The South Carolina Court of Appeals

Palmetto Health and Department of Employment and
Workforce, Respondent,

v.

Alma Washington, Appellant.

Appellate Case No. 2012-210826

ORDER

This case was dismissed due to Appellant's failure to serve the record on appeal and file proof of service, as required by Rule 210 of the South Carolina Appellate Court Rules (SCACR). Appellant subsequently filed a letter, which this court construed as a petition to rehear the dismissal of her appeal, attaching the record on appeal. On August 9, 2013, this court issued an order noting several deficiencies in the record on appeal. On August 19, 2013, Appellant served and filed a second record on appeal, which contained several deficiencies. On September 23, 2013, this court issued another order noting several deficiencies. On October 3, 2013, Appellant served and filed a third record on appeal.

Because Appellant has again failed to cure the deficiencies in the record on appeal, the petition to rehear the dismissal of this appeal is denied.
