Appellate Case No. 2024-000747

ORDER

On January 13, 2025, Appellant filed proof of service of the record on appeal on Respondent. On February 3, 2025, Respondent moved to compel Appellant to serve and file the record on appeal and to extend the deadline to file Respondent's final brief. Appellant moved to strike Respondent's motion to compel; arguing he fully complied under the South Carolina Appellate Court Rules. On April 16, 2025, the court granted Respondent's motion to compel and denied Appellant's motion to strike. However, the court ordered Appellant "to serve and file the record on appeal and his final briefs" within thirty days of the April 16, 2025 order. The court cautioned Appellant that "[f]ailure to comply may result in the dismissal of this appeal."

On May 14, 2025, Respondent moved to strike the record on appeal because it did not include all designated matter and to extend the time for filing its final brief. Alternatively, Respondent moved to supplement the record on appeal with the missing designated matters. Appellant filed a return, opposing the requested relief. To date, Appellant has not filed the record on appeal with the court. After careful consideration, we dismiss the appeal for failure to file the record on appeal as ordered by the court's April 16, 2025 order and the South Carolina Appellate Court Rules. The remittitur will be sent as required by Rule 221(b), SCACR.
