Case No.2024-00195

Appellant: Shaneeeka Stroman

Respondent: Carol Fischer

MOTION FOR DEFAULT JUDGEMENT

To whomever this may concern, as the appellant I am sincerely requesting a motion for default judgement based on Rule 240 (g) which ultimately classifies a failure to comply. It states that failure of the moving party to perform any act required by this rule may be deemed abandonment of the motion or the petition. According to Rule 55(a), thus requires that the courts enter all default judgments by default and preserve circuit rule 15. Also, federal rule 55(b) permits the clerk to enter judgements by defaults for sums certain, IF THERE HAS BEEN NO APPEARANCE, and if the defendant is not a minor or incompetent person, and that division was deleted. For these reasons, the appellant asks that you allow a default judgement on the above respondent immediately.
