Hi Ms. Pierce,

I was on vacation; sorry I am just getting back. The e-mails going to spam has happened to a few people. I have not checked my PO Box but will later this week. I will more than likely need to send you a refund when I send the transcript. The other side or someone else requested it and became the original requester. Your transcript will be \$1 a page versus the \$4.25 now.

Thank you,

Crystal Banks
