Appellant case# 2025-001126

Motion to relieved Counsel from all cases concerning Florence Housing Authority

I'm writing to relieved counsel from representing me. I was being represented by Attorney Vanisa Siler Brown and months before my court date which was May 13th @ 2:00, I notice she would not answer my phone calls or text. So when my court date did come up, I was not notified but she was. I called and texted and after I sent her a copy of the ejectment, she responded. Please relieved her from counsel because this has cause harm to my case and living arrangement. I have a copy of the electronic notification receipt that she recieved and a copy of the roster was also provided to me. I feel that she went MIA on me and my case, Abandoned, totally ignored when I had been reaching out, neglected the case and demonstrate misconduct. A LACK OF CARE. AN MOTION
