Re: Ricardo Fishburne v. S.C.D.C.

Lower Court case no. 2018 CP 400 ~~3700~~

Appellate case No. 2025-000763

Dear Clerk,

I am, out of abundance of caution,

Requesting that this court hold the above
appeal in abeyance until the Lower
Court decides on the pending 59e. Because
the Judge D. Coble is impartial And biased.

From the 59e I sent this court in
the above mentioned case its CLEAR that
the order should be rescinded due to

Clear error of Law. I have no way to know when the Court answers this see and am requesting this Court to keep this Appeal held in Abeyance until Judge Cole issues the order.

I: Paid \$250 in increments out of the little money I receive, I'm indigent, since 2018 when I filed this case to Redress wrongs SCDC did that caused me many Assaults. How can the Judge Fight me For SCDC? Because hands down SCDC is Negligent. See 8:25-CV-1412-JFA ~~at~~ At ECF# 26 p. 6-9.

Where A Federal Judge issued A Probing holding: officers abandoning Post habitually At SCDC is A gross Negligent Act.

See this case And several other Pending Cases At Richland Common Plea CIA # 2018-CP-400-3474, 2021-CP-400-4407, 2023-CP-400-4790 where officers have been habitually leaving the wing post unattended which caused injuries for yrs on me and many others similarly situated.

For some odd reason Judge Coble is biased, And has committed perjury And is partial. As mentioned I perid the Court to hear this case To be impartial. The Court charged me to hear A dispute, yet, Judge Coble is 'defending' scope? Biased?

I am Filing A Supplement to A complaint at Independent Committee At s.c Supreme Court. Many Judges has been Biased Against ME. For BENIG, ME. Thats similar to Anti semitism. It took 20 days to make error of Law. It shouldnt take 20 days to Answer this motion As Remittur Requested on 6-2-25. Can I file A Restraining order to get Judge P. Coble off my case?

Mrs Kitchings;

Please see A S.C. Supreme Court
Independent Committee Complaint At
Matter Number 2025-SCT-002, 003, 004,
005, and 006... Where I am supplementing

this complaint Pending At Independent
Committee. So all counts are aware
of this Judicial insurrection/ Lynching.

Its been happening to ME for
Yrs. By Numerous Judges. The US.
Supreme court has been alerted. As well
as this court And US Court of Appeals.

Its not right for me to pay the court
to mediate disputes. And the court consistently
takes criminals At SCAC's defense. commits
Perjury even. To defend SCAC officials. Thats Injustice.
Its messed up. I pray the Independent Committee is
not biased or prejudicial towards ME for BEING. Not
my fault Im ME... Ricardo Fishburne
