Re: Hannah J. Secka v. Florence County School District One, et al.,
Appellate Case No.: 2024-001454

Dear Ms. Singleton:

I am writing to respectfully request a thirty (30) day extension to serve and file the Respondent's Initial Brief and Designation of Matter in the above-referenced appeal, currently due on July 18, 2025.

Counsel for Respondent is presently managing a demanding workload, including several time-sensitive obligations that coincide with the resumption of a new school year for clients. This is the Respondent's first request for an extension in this matter, and it is made in good faith and not for the purpose of delay.

I kindly ask that the filing deadlines be held in abeyance while this request is under consideration.

Thank you for your time and attention to this matter.

By copy of this letter, I am informing the Appellant of this request for an extension.

Sincerely,

s/Meredith L. Seibert
