Dear: Catherine S Harrison, Chief Deputy Clerk I am hereby notifying the court of my intent to sue the State of South Carolina a copy of your refusal to accommodate a Mentally disabled black Man & agreeing With Multiple unethical violations is a sad thing to understand & if I go though with it Mr. Ben Crump will be Representing me in the Class Action Discrimination Lawsuit for all Victims of the South Carolina Courts & Hood Law Firm as well as the Former Hanahan Police officer.

Dear:(Mayor Christie Rainwater)

I am attempting to resolve this Matter with

the City of Hanahan civil matter began with a Hanahan former police officer Misconduct.

Due to the City of Hanahan Gross Negligence they allowed the Attorneys to Use Conflict of Interests & Judicial Misconducts to Cover up the Brady Violations Rule 37.

I request under Procedural Fairness & Procedural Law

that the City uses their Mandatory authority Mandated to avoid wasting the Hierarchy of

Authority & court time

Please Let the court record Show that all Parties are Aware of my Mental health disabilities,

Subsequently only the Respondent Hanahan Police Department Chief has displayed Honor by Disclosing the Evidence that Hood law Firm has been Hiding from all the Courts that the Officer lost her Badge because of Her false arrest made on me.

The Questions presented to the Court of appeal where ignored the Brady Violations in side (3 Separate Courts) & Collaborating Evidence will be used for a new case that will require the Courts to investigate in to Every case that is Connected to the Former Officer & Berkeley County as well as The South Carolina Court of appeal who have proving to discriminate & use Mentally disabled black Americans for Court fees

The Federal Court, Berkeley County & The Court of appeal was not aware that the Officer lost her Badge & the Statement Hood law Firm was using was illegal & Inadmissible in Court Furthermore, The Settlement Could Have Already been reached But Mentally Disabled Black Lives Don't Matter to The Courts in South Carolina.

I am truly Apologetic & My Sincerity won't allow me to Not Acknowledge that Under :(Mayor Christie Rainwater Authority they replaced the Old Chief who Supported the Discriminations as Well was Fired all parties involved with my False Arrest so I Highly think the City of Hanahan Mayor is Racist like Hood Law Firm the City Appointed Council so I will be meeting with her City Council out of respect before I contact Mr. Ben Crump.

I am taking the Time to Put together a proposal that will outline the Pros of Settling this case with me, I am not trying to demand the City only Encourage the City to Not Be like Hood Law Firm Berkeley County & the South Carolina Court of Appeal.

I don't not Wish to go After all Parties but Mr. Ben Crump is Expensive & Since the Court of Appeal feels My Mentally Disabled Black Live Don't Matter a Demonstration Must be Made, I am Thankful I Have MR Ben Crump to Help In case The City Follows the Parties that is Included in the Class action Law Suit (I am currently Collecting Evidence) for MR Ben Crump.

(Conflict of interest & judicial Misconducts) (not to mention) this Entire Case is Built off the Former Police officer false Statement DEEMED Inadmissible in Court.

the Chief of Hanahan Police Knows Hood Law firm used inadmissible Evidence, & it was also illegal Evidence subsequently the Officer statement was Part of the reason for her losing her Badge.

Based on the Forgoing Partnership With the respondent's Chief I am only seeking Compensatory damages from the City of Hanahan for Their City Gross Negligence. I do not wish to seek any sanctions unless they Continue to allow their Attorneys to Use unethical tactics to delay the inevitable,

Subsequently Hood law Firm & Mayor rainwater are Not the same and I won't allow them to confuse me and attack a Woman by discriminating against her Skin Color or being a Woman so I will take the Time & Meet with Mayor Rainwater City Counsel.

Hood Law Firm, Berkeley County & the South Carolina Courts of Appeal, has no Sympathy & believe because I am representing myself Pro se they will use my Mistakes to get away with Not paying me, just like So many other Victims that are Black & Mentally Disabled it is unfair that the mayor pays Hood law Firm using the City of Hanahan Funding.

(List of Everything Hood Law Firm Has Done to delay Payment & all Courts allowed)

#1 Using inadmissible evidence to violate the Right to trial

#2 Multiple Brady Violations

#3 Conflict Of interest

#4 Bad misrepresentation Of Their Clients

#5 legal Malpractice & OPENLY discrimination towards Blacks with mental disability

Question Presented Is Hood Law Firm & the City of Hanahan above the Law?

Do you feel Falsely arrested Black Lives Matter if they have mental Disability's?

Do you feel that the Higher Courts should Get Involved?

Positive incentives: I will allocate funds through the Tri County Positive Police Outreach Program to Begin Providing Musical opportunities to redirect the Youth Future Criminal Career Paths By using Entertainment to Push the Message & bring the Parents, teachers & local law enforcement on 1 accord.

Appeal No. 2023-001837*

Muhammad Nathaniel Wilson Pro Se

Plaintiff

Vs,

*Hood law Firm
Berkeley County
(South Carolina Court of Appeals)*

Defendants,

Notice of Letter of Intent to Sue for(Mental Discrimination)for the Class Action Lawsuit where Mr. Ben Crump Will represent me (with Settlement Demand) For Gross Negligence by the City of Hanahan

(Settlement Demand) for Hanahan police Settlement Debt. eight million, seven hundred eighty-nine

Wherefore, based on the foregoing, new evidence submitted by 15-3-40 Exceptions as to persons under disability

The appellant has consolidated indisputable evidence that is impossible to challenge in any court of law

The amended final brief is confusing because of all of the conflict of interest & misrepresentation of Hood law firm.

Based on The Evidence the Honorable Chief has Disclosed the internal problem was resolved & I would like the court to acknowledge this is a matter of the financial issue

Validated Key points

#1 The Right to fair trial for the amount of 8,708,003

. **Section 15-3-40:** Exceptions as to persons under disability.

(B). Rules 38 - Jury Trial of Right, S.C. R. Civ. P. 38

The Court of appeal has shown tolerance's & leniencies based on mistakes Made by Hood Law firm

If Hood Law Firm would not have used inadmissible Evidence what case would the respondents have?

#2 (Conflict of interest & Judicial misconduct)

Berkeley County allowed Hood law firm to get away with Conflict Interest.

If the Statue of limitation is suspended until I am seen by a doctor what is the argument about?

#3 do The City of Hanahan &

(Other Law Enforcement Officials believe that all Black lives matter)

If Hood Law Firm Knows the officer made a False arrest, why do they not understand Mentally disabled Black lives.

I am trying to avoid working with (Black lives Matter) activists in order to protect the integrity of my Allies in Law Enforcement & the Court thanks to Charleston County Judge warring I have More respect for Judges.

(The Court of appeal ignored them hiding Evidence that Supports a Settlement)

#4 Compensation

I am willing to allow the City of Hanahan Counsel a Chance to offer me a settlement for the 8786 hours held in Berkeley County jail

For a total of 366 days.

#5 emotional distress issue

This case was supposed to go to trial for the original amount of \$1000,00 per hour plus punitive damages (see proof of Emotional damages Charleston County mental health)

Hood Law Firm believes Black Mentally Disabled Men Should Not receive Compensation Because no Attorney is representing them if that's not Racist, I don't Know what is.

#6 (Validated Gross Negligence & Discrimination by Hood Law firm)

If the Appellant was White & the Victim was White, I suspect Hood Law firm would have No

problem Paying any Settlement.

I used the state vs Susan Smith to show how important kid's lives are of every color
Do the Court of appeal feel the City of Hanahan Mayor Rain Water Should be Complicit with
not disclosing valuable Evidence to every Court just to avoid a impartial non bias Jury Hood
Law firm is Full of Cowards who hide behind litigation when they are afraid of a trial that will
exposé their Corruption

#7 (Protecting the Public Perception of the Law)
(Due to the Chief of Hanahan police Rick Gebhardt corporation)
By Disclosing the information about the Former Hanahan Police officer Ellen lanphere
losing her badge (due to the false statement & Victim testimony)

Exhibit:(a) The "fruit of the poisonous tree" doctrine, a legal principle, dictates that
evidence obtained indirectly from illegal searches or seizures is inadmissible in court, just
as the original tainted evidence (the "poisonous tree") is. This rule is an extension of
the [exclusionary rule](#), which prohibits the use of illegally obtained evidence. The core idea
is that if the initial evidence is tainted, any evidence derived from it is also tainted.

(Based on the foregoing there is no Evidence that Challenges any settlement)

How do the Court of appeal & Mayor rain water Expect the Citizens to obey & respect the
law when the *Other Law Enforcement Officials don't enforce their own laws?*

- (a) SC currently ranks 6th in the nation for the number of women killed by men and are consistently in the top ten in the nation. (Violence Policy Institute When Men Murder Women report 2018)
- In South Carolina, 39 intimate partners were murdered as a result of domestic violence in 2020. (South Carolina Attorney General's "Silent Witness" 2020.)
- The cost of domestic violence in the state of South Carolina in 2020 was nearly \$358.4 million dollars according to a report conducted by Dr. Joseph C. von Nessen and sponsored by the Jamie Kimble Foundation for Courage
- Each reported incident of domestic violence costs the state of South Carolina an average of \$4,350 (The Economic Impact of Domestic Violence in South Carolina, 2020- Von Nessen)
- 42% of SC females and 29% males will experience domestic violence during their lifetime (The Economic Impact of Domestic Violence in South Carolina, 2020- Von Nessen)
- The annual number of domestic violence victims in South Carolina is estimated to be 82,379. (The Economic Impact of Domestic Violence in South Carolina, 2020- Von Nessen) Eight in ten (80%) child fatalities in 2020 were caused by one or more parents; 29% were perpetrated by the mother acting alone. Nearly three-fourths (74%) of... casualties

Exhibit (b) Since Hood Law Firm Feels

- **(All Black lives Don't Matter) (see) State of South Carolina v. Susan Vaughan Smith**
- (This is the 1996 case of a woman putting two of her children in a car and pushing it or letting it drive into a lake; it includes the closing arguments, jury instructions, verdict, and judgment at the penalty phase, after the jury had already found her

guilty of the crime but had to decide whether to impose the death penalty or life in prison)

- (g)NORTH CHARLESTON, S.C. (WCSC) - Live 5 Investigates reviewed hundreds of pages of public records from the last three years from the South Carolina Insurance Reserve Fund.
- Those records show in 2021 the IRF paid out \$1.51 million on behalf of the North Charleston Police Department.
- That is the largest amount out of any local law enforcement agency covered by SCIRF in the same year.
- Documents show IRF processed 18 claims against the department, with 12 resulting in payouts.

Exhibit (c) (Statutory Limitations Suspended)

How does this section apply?

- The time of the disability is not part of the time limit for starting the action.
- The disability cannot extend the time limit by more than five years, except for infancy.
- The action must be brought within one year after the disability ends.
- For example, if property damage occurs when the owner is under 18 or insane, they have one year to file a lawsuit after they turn 18 or are (declared sane.)

I am truly appreciative for the Court of appeal following the Rules & showing Accommodation's to someone who is mentally disabled

Dear (Mayor Christie Rainwater)

I am formally requesting a meeting with your City's Counsel & also I am documenting everything that I submit through the Court of appeal.

furthermore, in order for me to build a Class action Law suit for other Victim's that are Mentally disabled & Black I must first give your city the chance to respond to the Gross Negligence.

The City Sends a Bad Message by Not Compensating Victims of the Former Hanahan Police officer who may have been falsely arrested.

Subsequently In order to Protect the Chief of your City police department reputation, because he Works for you, I am giving Your City a Chance to respond on Your own behalf.

Unfortunately, your attorneys Hood Law firm are a Group of Whites who will Not accept that any falsely arrested Witness to a Child being abused should be Compensated for their Emotional distress.

Valid Question for Mayor Rainwater: If You was falsely arrested for calling for help & trying to save a child from her Mothers Neglect & Abuse do you believe you should be compensated for losing Your Home, Your Career & 8,785 hours of your time.

This case has lasted 1964 days because of Hood Law firms Conflict of Interest & not Disclosing to the Federal Court that the Officer has lost Her Badge.

Your Attorneys offered me \$1000,00 during mediation subsequently I was inside a Mental health Hospital because of the Documented severe Mental health I would like to Settle this case immediate.

I will sign an agreement to Forfeit any Civil cases for the City's (Gross Negligence) & (Disregard any Complaints) against Judge Young & Judge McCoy based on them not knowing the officer lost her Badge, I will accept it as another Unethical Move by Hood Law Firm & understand Judges make mistakes.

by Settling with me You are Proving that You do Believe that all black lives Matter, so no Future Complaints will be Made on all parties I only wish For the City to deal with Hood Law Firms Gross Negligence, Legal malpractice & discrimination.

Hood law firm represents the type of people who are still mad about Blacks receiving Civil rights & it seems unfair to their kind that a falsely arrested mentally disabled black Man Should receive Compensation for being held (8,785 hours inside a Cell)

(Emotional Distress) Let the Court Record Show I had a Panic Attack & Mental Break Down during the Time of my arrest by the Former Hanahan Police officer

Respondent (Rick Gebhardt) (Chief of Hanahan; Showed the Plaintiff/Appellate Compassion for the Emotional Distress, by offering me some Relief that the Officer don't have her badge;

He is an Honorable Man I personally feel who do not Stand for Corruption: Thankfully God has placed a real Man of God as the Chief.

The City of Hanahan Finance department is in charge of The South Carolina Reserves Fund if the City Offer me a Large enough Settlement, I am willing to Guarantee in their agreement to Allocate Funds through There Schools & various Police department listed This is Consolidated information that Supports the Argument
(The Basic Theory of the Amended Brief)

Since Hanahan Police department has Handled the officer's Gross negligence internally Compensation should not be a Discussion

Based on Both Charleston County & North Charleston County police officials, as well as Judge warring Positive impact I would like to show my appreciation for my allies support I am willing to accept any payment to begin Working with the different police department outreach programs.

Furthermore, I understand that Judges make mistakes just like police officers do So, I do not wish to discredit Judge McCoy or Judge Young name.

I am Trying to receive treatment at a Mental health Hospital subsequently because of this case & Hood Law Firms Legal Malpractice, Gross Negligence & hate towards Mentally Disabled Black witnesses I can't afford treatment so let the Record Show I have Been Homeless since this Case & the Court fees are Money, I should be using to get a place to Stay & I am Suffering I Require Housing & relocation away from everything

(3) Hanahan police Settlement Debt. eight million, seven hundred eighty-nine

- (a) Appellant /Plaintiff based this amount off the number of hours held for the ransom of (\$75,000 inside of Berkeley County Jail)
- (b) Conflict of interest created BY (Hood Law Firm) forcing me to represent myself in this case in spite of Severe Emotional Trauma
- (c) Based on a (Former Hanahan Police) False arrest & subsequently
- (d) (Berkeley County) provided ineffective incompetent counsel & Both Judges failed to Recuse themselves & ignored the ADA

- (e) The Creditor agrees as part of this Agreement they shall be accepting the last payment for the satisfaction of the Present Debt, hereinafter known as the "Settlement Debt". This Settlement Debt shall be in the amount of \$_three million five hundred thousand or \$3,500,000.

(f) ADA Title II: State and Local Government Activities

Title II covers all activities of State and local governments regardless of the government entity's size or receipt of Federal funding
To ignore the ADA thinking its okay because I am representing myself Black & Mentally Disabled only supports discrimination.

The Consolidated Evidence Proves Gross Negligence & discrimination Based on the Brady Violations that the Chief Disclosed he will be the Star Witness at Trial & I will be Requesting that Mayor Rain water be asked to testify to allowing the Brady violations, Conflict of interest as well as using inadmissible evidence

I do not seek to file any Complaints or Future Civil Suits against the City I just want the city to Offer me a settlement Based on the Debt amount

I will Personally Hand deliver the evidence to give you a chance to schedule another Time to Meet With who ever is in Charge of The Finance Department to prove You are Not Discriminating against me

Hood law Firm has Hypocritically complained about the only reason for not paying a Black mentally disabled witness to a 9-year-old child being abused mentally Physically & Suspected Sexually

1# a mentally disabled black witness who lacks the legal compacity improper filing of the record on appeal

Valid Information that Challenges Judge Mc Coy & Judge Young Order To dismiss & Violate the Right to trial

- **Judicial Misconduct Exhibit (a)Recusal Requirements**
- An official with a disqualifying conflict of interest may not make, participate in making, or use his or her position to influence a governmental decision. When appearing before his or her own agency or an agency subject to the authority or budgetary control of his or her agency, an official is making, participating in making, or using his or her position to influence a decision any time the official takes any action to influence the decision including directing a decision, voting, providing information or a recommendation, or contacting or appearing before any other agency official. When appearing before any other agency, the official must

not act or purport to act in his or her official capacity or on behalf of his or her agency.

Consolidated evidence Supports Legal malpractice, discrimination, & gross negligence as well as unethical behavior by the attorneys who represents Berkeley County, Hanahan police department & the City of Hanahan

The General Discernable Argument is that the Plaintiff is Unbarred & exempt From Statue of Limitations & has proven multiple forms discrimination, & gross negligence as well as unethical behavior by the attorneys who represents Berkeley County, Hanahan police department & the City of Hanahan

But Unlike Hood Law Firm, Berkeley County & the Court of Appeal I am a Man of Honor & fairness so I will take the Time to organize & meet with The City on their Own Time with No Rush

I am Only Seeking to Receive Mental health treatment for the pain & trauma inflicted & invest in my Music Outreach I Will Gladly Give 10% back of all profits as well as whatever the City of Hanahan offer in the Settlement please lets this resolve this Matter before Mr. Ben Crump gets involved, I only wish to Work with Mr. Crump in uniting Black lives With Positive Police & use the entertainment to Stop the Hate between Police officers & Black lives

Domestic Violence is a serious problem in South Carolina the Court Makes Money off locking our black Men up but the kids' lives are being destroyed While the Courts Ignore it for Profit.

This is A Humble attempt to resolve this Matter I will be calling the city once I finish Editing and getting Prepared.

Humbly, Sincerely Submitted
Muhammad N Wilson Pro See
