Re: Mortgage Assets Management, LLC v. Julian L. Mims, IV
Appellate Case No. 2024-000649

Dear Mr. Mims:

Upon reviewing your attempt to correct the deficiencies outlined in this Court's letter dated June 26, 2025, the following deficiencies have been noted under the South Carolina Appellate Court Rules (SCACR), and any deficiency must be corrected within ten (10) days of the date of this letter or this matter will be dismissed. This is the Court's second request for this correction:

- The accompanying proof of service states the notice of appeal was served and not the appellant's initial brief and designation of matter. You must provide an amended proof of service showing service of the appellant's initial brief and designation of matter on counsel for respondent.
- The cover page provided states that the record on appeal is being filed and not the appellant's initial brief and does not comply with Rule 267(e), SCACR. Specifically, you must file an amended appellant's initial brief that lists the proper title on the cover page and includes argument.

Very truly yours,

CLERK
