I'm writing to respond to your letter that I just got today. How was my writ of certiorari ~~file~~ denied when I told you that I was trying to get my (59:E) motion file in time for my PCR since I have been trying to get this motion file in a timely manner. James Falk passed before a judgment was reach in my PCR. The one time I talked to you on the phone. I told you that my PCR judgment was made without hearing all my evidence. I have wrote a Petition for a PCR rehearing since all my evidence was never presented to the courts. I sent a letter to south carolina supreme court, court of Appeals, Charleston county clerk of court, I sent my Petition to these courts cause I didnt know if you was still my attorney, with that besaid How do I go about getting a PCR rehearing base on the facts that I was not able to file a 59 E motion due to my attorney James Falk passed away before I could file my motion and before I got a judgment for my P.C.R. Also I never talked to the attorney that took over for Mr. Falk. Ms Delany can you please help me with these things. I'm looking up my next step which is filling a application for a writ of habeas corpus in federal court. I would like to move forward with filing my habeas corpus since I have a ~~the~~ statute of limitations for filing a habeas corpus. Thank you for your time Also I just found out that none of the officer who testified against me testified to something different from the Police report for the day of the crime then 2 Years later they know who the killer was ~~from~~ from 2014 to 2016.
