SC Court of Appeals

Motion to relieve Counsel from all cases
concerning the Florence Housing Authority

I'm writing relieved Counsel from representation.

I was being represented by Vanisa Siler Brawt. Due to her not notifying me for court. May 13th @ 2:00, me and my family was ejected from our home. It had been several time that I reached out to her; for months at a time, and she did not respond. When I finally was able to speak to her, she said that she hadn't been notified, but the clerk of court provided me with the receipt showing that she had been notified electronically. The court had me as a failure to appear. She had been served on my behalf. She abandoned my case, causing harm to it, totally ignored the notifications that were being emailed to her, would not respond to me when I kept trying to call and text her concerning my appeal court day. According to STACK Rule 1.3 Diligence, and Rule 1.4 Communication (ABA) I did all I could do to protect my case.
