MOTION FOR EXTENTION OF TIME TO REQUEST TRANSCRIPT

---

Please be advised, the undersigned does not represent the Appellant in this matter. The undersigned, at the time of filing the Notice of Intent to Appeal, informed the South Carolina Commission on Indigent Defense of Appellant's need for representation.

The undersigned was notified by the South Carolina Commission on Indigent Defense that the Appellant needed to be screened prior to the South Carolina Commission on Indigent Defense representing the Appellant. As such, the South Carolina Commission on Indigent Defense requested this undersigned counsel seek an extension of time for Appellant to request the transcript. Further, the South Carolina Commission on Indigent Defense informed the undersigned not to request the transcript.

The undersigned is informed and believes this is Appellant's first request for an extension and is not intended for the purpose of delay but is necessitated by the Appellant's indigent status.

This request is made to ensure that the South Carolina Commission on Indigent Defense can be appointed to represent the Appellant and request the transcript.

WHEREFORE, Appellant prays that the Court grant this Appellant's request for an extension of time. The undersigned requests a thirty (30) day extension of time for the Appellant to request the transcript.
