Appellate Case No. 2025-000850

ORDER

On June 6, 2025, Respondent filed a motion for leave to file a motion pursuant to Rule 60(a) of the South Carolina Rules of Civil Procedure for relief from the master-in-equity's April 16, 2025 order. Respondent argues the order contains a scrivener's error in paragraph 44, in which the judgment is listed as \$29,572.49 for materials, supplies, and labor, instead of \$39,013.56 for materials, supplies and labor. Appellants did not file a return. After careful consideration, we grant Respondent's motion for leave to file a Rule 60(a) motion. Although we grant

Respondent's motion, we leave it to the master to determine, in the first instance, if the error complained of by Respondent is a clerical mistake.

Within fifteen days of the date of this order, Respondent shall file and serve its Rule 60(a) motion. Further, Respondent must provide this court with status updates every thirty days until the master resolves the motion, and Respondent shall provide this court with the master's ruling on the motion within ten days of receipt of the master's written order. We hold this appeal in abeyance pending the master's resolution of the motion.
