

# The South Carolina Court of Appeals

Kenneth Stuart, #389211, Appellant,

v.

South Carolina Department of Probation, Parole and  
Pardon Services, Respondent.

Appellate Case No. 2025-000392

---

## ORDER

---

On June 5, 2025, this court sent a deficiency letter to Appellant because he failed to serve and file a designation of matter. On June 16, 2025, Appellant filed a "motion for consideration," in which he asked this court to consider a document he called an "index" as a response to this court's June 5, 2025 letter. Respondent did not file a return. We construe Appellant's "index" as a designation of matter of items he intends to include in the record on appeal. We accept the designation of matter as filed. Within thirty days of the date of this order, Appellant shall serve and file the record on appeal.
