Re: The State v. Brandon L. Corder
Appellate Case no. 2023-001543

I am in receipt of the Court's order remanding this case for reconstruction of the February 27 to March 2, 2023 trial with regards to: the inaudible or simultaneous speakers' notations; the missing three hours of trial on March 1st and 2nd and the Legal Eagle transcript. This memorandum is an update to the reconstruction of the above case.

A status conference was held on July 11, 2025 with all parties present. Everyone is of the belief that the transcript can be reconstructed if we can listen to the audio recordings. I have attached an order requesting the review of the audio recordings for the dates of March 1-2, 2025. I also have detailed trial notes that I have shared with the parties for their reference.

A follow-up status conference is set for August 8, 2025 at 9:30 am., and a court date tentatively scheduled for August 22, 2025 at 9:30 am. to put everything on the record.

Should you need further information please feel free to call me.
