APPELLANTS

MOTION FOR FINAL EXTENSION OF TIME TO FILE APPELLANT 'S FINAL BRIEF

Now come Appellant Woodbury on motion before this Honorable Court requesting for a final extension of time to file Appellant's Final Brief on appeal based on the following:

- 1) On April 30, 2025, Appellant Woodbury mailed his final brief to this Honorable Court and sent a copy of this brief to Respondent's counsel of record.
- 2) A few days later Respondent's Counsel sent a letter to this Honorable Court stating that Appellants brief was late because it was supposedly stamped April 31, 2025.
- 3) On June 28, 2025, Appellant Woodbury received a letter from this Honorable Court stating that his brief was never received and that he would have to file his final brief and with a motion requesting for an extension of time to do so.
- 4) Appellant does not know what happened to his Final Brief that was mailed to this Honorable Court on April 30, 2025, but he is now re-filing his "Final Brief" to this Honorable Court along with the motion for extension of time requesting to do so. Again, Appellant Woodbury has no idea what may have happened to his Final Brief that was originally mailed to this Honorable Court and apologizes for this delay in this proceeding.

Respectfully Submitted
