MOTION FOR LEAVE TO AMEND MOTION FOR RECONSIDERATION

The Appellant respectfully moves this Court for leave to amend the previously filed Motion for Reconsideration. In support of this motion, the Appellant states as follows:

1. The Appellant filed a Motion for Reconsideration on June 18, 2025.
2. Upon further review, the Appellant has determined that the argument regarding lack of jurisdiction is not valid and should not be pursued.
3. The Appellant seeks to amend the Motion for Reconsideration to withdraw the jurisdictional argument and to address the remaining issues presented in the appeal.
4. Allowing this amendment will promote judicial efficiency and ensure that the Court's attention is focused on the substantive issues appropriate for reconsideration.
5. No party will be prejudiced by the granting of this motion.

WHEREFORE, the Appellant respectfully requests that the Court grant leave to amend the Motion for Reconsideration and accept the amended motion, which is submitted herewith.
