Muhammad N Wilson Pro-se Plaintiff,

Defendants (Berkeley County & City of Hanahan))
Positive incentive for Demand of Settlement

My Name is Muhammad N Wilson Pro-se July 16 I will be personally Hand delivering this
Statement to the City of Hanahan; with the purpose to Schedule a Time & date that is Convenient
to all Parties involved for there will be No pressure but only peace.

RECEIVED
Jul 14 2025
SC Court of Appeals

This unprecedented case has lasted almost 6 years because of My lack of legal capacity to represent myself so the city appointed attorneys took advantage of their Power & Connections to make sure their fellow Unethical attorneys & judges make sure the Victims of the Former Police officer not be Compensated based on Our Skin Color & lack of getting Help,

God has sent the Mentally disabled Black lives Victims of Former officers Police misconduct his Name is Mr. ben Crump is a Man Who is Not afraid to Fight against injustice, someone Who Hood law Firm do not Control.

But I do not wish to be like Hood Law firm, Berkeley County Judges & the court of appeal

I do not Discriminate or tell untrue statements for the purpose of Money

(The Creyola illuminati united seeks to bring Spot light to Every positive Police in the World)

It will begin with My Tri County positive police partnership

I want the City of Hanahan to see this Settlement as a Positive investment so I will not Contact Mr. Crump about taking the case until I have given the city a chance to resolve this matter by offering me a Form of relief through Compensation.

The Funds will be used to use music outreach to create peace with Black lives Matters Victims the Mayor will be known for doing the Right thing & Chief Rick Gebhardt will be the First of all the Positive police that the World will identify as a good officer so Black lives can feel Comfortable Cooperating with Police officers,

Domestic Violence & Children Abuse is a Serious problem that The State of South Carolina has ignored long Enough & if I have to allow Mr. Ben crump to take this case it is going to cost me at least 40% and the State will pay more because I will use my influence with Law Enforcement & black lives to Encourage a New Governor by the Name of Mr. Ben Crump.

My talents include I am an Author/Writer/dancer/poet/recording artist I can write Clean positive Music that Both Parents, kids, teachers & police officers will enjoy then I will give 10% of my settlement & income through my Creyola illuminati I Will Pay Mr. Ben Crump to Facilitate

(Whatever Price he asks I will pay him); to go after those who tried to cover it up like Hood Law
firm & the Court of appeal

The above case has not been set for trial and it is in the plaintiff(s) best interest and *his*
constitutional right that this case is set}

**But the plaintiff is suffering with Severe Emotional trauma & requires long term mental
health treatment**

WHEREFORE, PREMISES CONSIDERED, Plaintiff requests that the City of Hanahan please
allow their personal integrity to allow them to see doing the right thing is better than ignoring the
City Gross Negligence to save money from paying a Victim who was a credible witness trying to
do the right thing by working with the Police to address the issues the State of South Carolina
has ignored costing Black lives like Children, Women & the Men Who were Falsely arrested
Help me Prove the Black lives who see every police officer the same as the Former Hanahan
police who falsely arrested me help me show them the Truth by doing the Right thing please
don't make me waste Mr. Ben Crumps time to get the City to Do the right thing'

Respectfully submitted,

Muhammad N Wilson Pro-se

{Declaration of readiness to proceed to Relief for the Gross Negligence & Former Hanahan Officer Police Misconducts}

Due to extenuating circumstances from the traumatizing details of reliving the traumatizing 367 days spent in Berkeley County jail, along with the realization of the innocent child's death as a result of an officer falsely arresting me to protect the clearly guilty legal custodian! every day since august 14 2018 my mental health has diminished furthermore due to my lack of proper representation the Court will never Honor my Motions Once Again everything is Bias against me consequently because of my Refusal to Join the Negativity against law enforcement, subsequently I have excessive financial obligation, resulting from lack of opportunities and loss of Funds. During my 367 days spent in jail in order to invest in the production of a Song and Video to Market my Song: Thank God Blue Lives save Lives using my Compensation, I will accept half instead of having to wait years to get to see a Judge! I understand the court process is extremely slow for someone like me the court will take years to allow me to see a judge or pick a jury to face the people who will feel the pain of the understanding of what that officer did to protect a guilty abusive irresponsible clearly mentally unstable mother doing indecent things with and around her Child!

Respectfully submitted,

Plaintiff Muhammad N Wilson Pro Se
