Ms. Moore:

There is a hearing for which I captured the record for the date of 10-20-23. I will need to file an extension for this hearing since it is not included in my production queue. I will try to have it by the end of next week. I have several transcripts pending at the present time. From a cursory look, it appears this hearing is approximately 100 pages or about two hours.

I will let you know something later today when I can secure a transcriptionist to help

me with production of this transcript.

Thank you!
