

The South Carolina Court of Appeals

Lawton Leroy Holloway, Petitioner,

v.

State of South Carolina, Respondent.

Appellate Case No. 2023-001372

ORDER

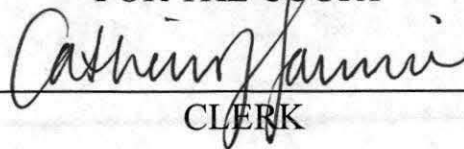

Petitioner's counsel has submitted a petition for a writ of certiorari pursuant to *Johnson v. State*, 294 S.C. 310, 364 S.E.2d 201 (1988), and a motion to be relieved as counsel. The panel voted to deny the motion to be relieved as counsel and directs the parties to address the following question and any other questions of arguable merit:

Did the PCR court err in dismissing Petitioner's ineffective assistance of counsel claim in which Petitioner alleged his counsel erroneously failed to argue trespassing and the defense of habitation as grounds for immunity pursuant to the Protection of Persons and Property Act?

Petitioner shall serve and file a petition for writ of certiorari on this question within thirty days of the date of this order. Thereafter, Respondent shall have thirty days to serve and file its return.
