Request for extensions have been submitted for the hearing held on 10-20-23 in this matter.

There is a request for 9-17-24 as well, but there was no hearing held on this case on this date where a court reporter was present.

There was a status conference held on 9-18-24, and that has been confirmed by Judge Mullen's staff. The status conference was held over the phone and there was no court reporter present for that date, so no transcript is available for the 9-17-24 request.

Thanks so much.
