Affidavit Letter.

Re; Stewart v. State, No 2023-001478

Candor Toward Tribunal violation

Dear Ms. Howard: I swear to penalty for perjury:

1. I am the appellant Ben Stewart who sought a Writ of Cert in this Court in the above referenced case Number. I was represented by Attorney Sarah E. Shipe and she was relieved see letter dated

1/15/25. My case is presently before the United States District Court in Columbia, S.C.

Case No: ~~xxx~~ xxx by way of an 2254 Habeas corpus application.

2. The Attorney Ms. Shipe submitted an Appendix in this case pursuant to SCAER Rule 243 () however, the evidence submitted to this Court was not submitted to the lower Court nor apart of the Courts Record, see; Attachment (Exhibit P.1. Index to Appendix and Index to PCR hearing April 17, 2023)

3. The Exhibit demonstrates that 1544 pages was included in the Record before this Court which was included in this Courts decision to Grant or deny this instant appeal.

4. Accordingly, the evidence was inadmissible and violated Rules of Professional Conduct.

5. Please take judicial notice of the error, in this Courts decision and promptly respond by letter or notice because the actual PCR Attorney improperly forwarded My case to the indigent defense in violation of 71.1.(g) (Further representation) and a remand was required due to the evidence not being submitted in the lower court and its Ruling was based on inadmissible evidence as well in violation of 17-27-80 s.c. code (Final Judgment).
6. These errors violated due process of law and appellate practice, and the judgment of the Supreme Court of South Carolina.
7. I respectfully request that you kindly

forward an order to correct the violations listed herein to the address provided.
