Re: Damarius Gaines v. State
Lower Court Case No. 2020CP0401211
Appellate Case No. 2025-000029

Rule 207, Motion of,
SCACR.

Dear Clerk of Court:

The last order handed down by Your Court denying motion to reinstate, for not showing good cause comes from incompetent complications, along with other malicious actions through out South Carolina's judicial departments. Enclosed is another copy of the requested transcript order, along with a letter received from AAG Balaj. Proving that I've requested multiple times for my own personal copy of P.C.R transcript. And also have sent copy of this very same form to Attorney General office, Anderson County Clerk office, as well as ACLU requesting, and attempting to answer the request. Forgive me for the multiple delay's Yours truly. Respectfully Submitted.
