Re: SCFCU v. Richard Nathaniel Thames  
Appellate Case No. 2024-001925

7/21/2025

Dear Honorable Justices,

I am writing to respectfully request the Court's approval for a motion to file a document out of time in the above-referenced case. Specifically, I am seeking an extension of twenty-one (21) business days to complete the filing.

The reason for this request is that there was a misunderstanding on what was required by me to complete, compounded by unforeseen work commitments. Due to a recent increase in workload and hours at my employment, I was unable to allocate sufficient time to prepare and complete the necessary documents within the original timeframe. This was an honest mistake, and I did not intend to delay the proceedings.

I sincerely apologize for any inconvenience caused and assure the Court that the delay is not due to neglect or disregard for the Court's rules. I am committed to promptly completing the filing and ensuring compliance moving forward.

Given the circumstances, I respectfully ask the Court to grant this motion and extend the deadline by twenty-one (21) business days, which will allow me adequate time to finalize and submit the required documents.

Thank you very much for your understanding and consideration of this request.

Respectfully submitted,

Sincerely,  
S/ Richard Thames
